Under ASC 740, National Fragile X is required to report information regarding its exposure to various tax positions taken by National Fragile X and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold. Management believes that National Fragile X has adequately evaluated its current tax positions and has concluded that as of December 31, 2014, National Fragile X does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary. National Fragile X has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. The exemptions are subject to periodic review by the federal and state taxing authorities and management is confident that National Fragile X continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. National Fragile X may periodically receive unrelated business income (such as sublease rental income or advertising revenue) requiring National Fragile X to file separate tax returns under federal and state statutes. Under such conditions, National Fragile X calculates and accrues the applicable taxes.
