Management files the Company's tax returns in the U.S. federal jurisdiction. The Company is no longer subject to U.S. federal examinations by tax authorities for years before 2011.

Form 990, Part III, Line 4a - Program Service Accomplishments

TMC Foundation supports the charitable mission of Tucson Medical Center and is dedicated to improving health and quality of life in our community.

From the vice president & chief development officer Michael J. Duran

On any given day, the nurses, physicians and staff at TMC touch the lives of many families in our community. It is an honor to care for so many of our fellow citizens and it is a tradition we take very seriously. My family has been cared for at TMC where we've experienced the birth of new family members, the passing of loved ones in hospice care and everything in between. As Southern Arizona's only nonprofit, stand-alone community hospital, we remain committed to delivering specialized, personal care to each patient we encounter.

I am proud to share that TMC continues to be the local market leader in health care. From cardiac to neurology to labor & delivery, TMC remains committed to caring for our community each and every day. Southern Arizonans have come to expect great care and we deliver on that promise by demonstrating our values of compassion, community, dedication and integrity.

In 2014, we established plans to create a truly exceptional experience for women in our community. The new Joel M. Childers, M.D., WomenisCenter is at the heart of TMC's clinical programs that are the preferred choice for expectant mothers. The physicians who specialize in women's care have only the highest standards -for which TMC is honored to partner with them in the delivery of care for women, new moms and newborns. We set a lofty goal- \$12.5 million - but

are well on our way to completion. We have already secured \$9 million from benevolent individuals and families who share in our vision and our desire to improve care for women in our community.

We are honored and humbled by the remarkable gifts from our donors that allow us to continually improve the care we provide our patients and their families. The Buehler Family Foundation, for example, will help bring the electronic-medical-record system used for TMC inpatients to the hospice outpatient setting. This move will streamline patients' medical information and allow clinicians to have the most current health information about a patient in a situation that can change quickly.

When Tommilee Phillips and Dick Keiler realized we had a need for pediatric dental surgical equipment, they responded without hesitation.

Thanks to them, physicians are now able to use brand new equipment on hundreds of children who come to TMC needing oral surgery each year. This machinery helps improve a pediatric patient's experience and provide them with a better outcome.

In this edition of On Center, you'll read about what motivated some people to contribute to TMC - whether it's helping the hospital purchase a much-needed piece of equipment, or giving their time and talents. We'll introduce you to a pair of volunteers who have served this hospital for an incredible 51 years each, and counting! We'll tell you how we honor our veterans, how we're helping improve care for children and how a new brain fitness program could benefit us all. You'll also read how the second year of the Mega Raffle proved to be even more successful than the first! This exciting and distinctive fundraising opportunity has allowed us to expand our scope of the services and programs we provide the community.
