IMPORTANT INFORMATION

READ THIS CAREFULLY

BEFORE PROCEEDING WITH GRANT APPLICATION

To: Grant Applicants
From: Lisa Eccles

Thank you for taking an interest in partnering with the George S. and Dolores Doré Eccles Foundation to benefit the citizens of Utah. Following is our Grant Application Form to be used by all those seeking funding from our Foundation.

In order for our Board of Directors to give your request full consideration, **it is essential that we receive all of the required information**, as explained in the instructions and on the Grant Application Form itself. Without this background, it will be difficult for our directors to make a well-informed decision about assisting you.

Please give careful consideration to the request that you submit. It should be a fair and accurate presentation of your organization's funding needs – neither exaggerated nor diminished. **If there are significant changes in the status of your project or program after your application has been submitted, it is your responsibility to notify us.** This is especially significant if there are changes in budgets and time-lines, as well as progress in your fund-raising, including new grants pledged and/or received from other sources. This is an important step that should not be overlooked.

Our Board of Directors meets quarterly to review proposals. A determination regarding your request will generally be made at the next quarterly meeting following receipt of the application. If you are asking our Foundation to consider an **event sponsorship**, your application should be submitted at least three months prior to the event.

You will be notified in writing, not by phone, of the decision of the Board of Directors regarding your grant application, generally within three months of submitting your application. If you have questions, please contact Toni Lehtinen or Erin Armstrong-Wright by phone or e-mail as follows:

Toni Lehtinen, (801) 246-5347
toni@gseccles.org

Erin Armstrong-Wright, (801) 246-5348

We look forward to receiving your application.
