Learning Journeys -

Learning Journeys take participants to places where they can witness the extraordinary work that ordinary people are doing to build thriving resilient communities in the face of an uncertain future. With a group of 15-20, we create a intimate learning community, where it becomes possible for participants to learn more about what's really important to them in their lives right now. Learning journeys are intended to disrupt our habitual thoughts and experiences by encounters with others who are making a difference in their communities. Our Japan learning journey in November, 2014 was a huge success and will be repeated in 2015 along with a journey to the Kufunda center, and the Kufunda learning camp in 2016
