Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission:

The California Medical Association (CMA) is a non-profit corporation formed to promote the science and art of medicine, the protection of public health, and the betterment of the medical profession

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? ☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.**4a** (Code:) (Expenses \$ including grants of \$) (Revenue \$)

In 2014, the California Medical Association (CMA) saw a majority victory with the defeat of Proposition 46, which would have destroyed the protections in California's Medical Injury Compensation Reform Act (MICRA), by a vote of 67 percent to 33 percent. In the months leading up to the decisive defeat of the trial lawyers' ballot proposition, the entire CMA team spent countless hours informing California voters about how the measure would affect their access to care, fulfilling orders for campaign materials, recruiting physician speakers and media contacts, and traveling around the state to speak to nearly 200 hospitals, specialty societies and community groups across the state. CMA also confronted attacks to MICRA on the legal front throughout the year, defending the critical law in various cases that threatened to circumvent its protections and to diminish its benefits to health care in California. On Election Day 2014, CMA was also proud to congratulate a number of CALPAC-supported candidates, including Sacramento pediatrician and Assemblyman Richard Pan, M.D., who won a hotly contested state Senate seat. Although his opponent, a trial lawyer himself, had spent more than 30 years as a career politician, CMA built a strong coalition of labor and business allies to put together a full-fledged campaign that helped him to victory. CMA emerged from the election with a perfect

(Continued on Schedule O, Statement 2)

4b (Code:) (Expenses \$ including grants of \$) (Revenue \$)

During one of the most dysfunctional Congressional sessions in history, CMA successfully advocated for passage of a fix to the Medicare California geographic practice cost index (GPCI), providing substantial payment increases to California physicians and improving access to care for all Californians. Starting in 2017, the GPCI fix will update Medicare payments in 14 California counties by up to 14 percent per year. It also establishes a payment floor for California's rural physicians to ensure payments in those areas will not go down, even during another recession. No other state, specialty or national medical organization has been able to achieve such substantial Medicare payment increases and protections for their physician members in recent years. CMA also worked with the American Medical Association (AMA) to reduce Medicare payment penalties for the new value modifier payment program, which starts tracking in 2015.

4c (Code:) (Expenses \$ including grants of \$) (Revenue \$)

CMA continues to prioritize improving our state's physician workforce by increasing the number of residency slots for medical school graduates and by pushing the state to make an initial investment in its future medical workforce. Following unprecedented grassroots advocacy by the physician and medical student community, the Legislature approved a state budget that includes \$7 million for primary care residency slots. With \$3 million applied to expand the Song-Brown program to all primary care specialties (family medicine, internal medicine, obstetrics-gynecology and pediatrics), the additional \$4 million will fund the expansion of some residency programs. The budget also requires priority be given to programs that have graduates of California-based medical schools.

4d Other program services (Describe in Schedule O.) See Schedule O, Statement 3
