SNORE continued its efforts with the BLM in developing safety regulations and plans for all off road organizations to race in Nevada. This is an ongoing effort and will be improved with each and every race. SNORE supported and promoted another non-profit, "Race for the Wounded" which brought attention to our wounded vet community. Our charitable efforts give the public a chance to see that our organization is not only about off road racing but giving back to the community. We also volunteered our time and resources in replanting and improving additional lands in three different public use areas. We are continuing our efforts in trying to develop "high speed" areas in Nevada, in conjunction with the BLM. This enables off road users of all types to safely use and test their OHV vehicles. We have and continue to meet with various public officials, emphasizing the importance of designating and setting aside the Jean area as an approved Federal OHV land use area.
