Return Reference	Explanation
Part X FIN48 Footnote	Income TaxesFinancial statement presentation follows the recommendations of ASC 740, Income Taxes. Under ASC 740, CPI is required to report information regarding its exposure to various tax positions taken by the organization and requires a two-step process that separates recognition from measurement. The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold. Management believes that CPI has adequately evaluated its current tax positions and has concluded that as of December 31, 2014, CPI does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary. CPI has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code. This exemption is subject to periodic review by the federal and state taxing authorities and management is confident that the organization continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status. CPI may periodically receive unrelated business income requiring the organization to file separate tax returns under federal and state statutes. Under such conditions, CPI calculates and accrues the applicable taxes payable.

Return Reference	Explanation
Part I, Line 2 - Grantmakers Explanation For Monitoring Use of Funds Outside US	Once grants are approved, recipient organization must sign CPI letter of agreement stating the terms of grant and reporting schedule. Financial and Narrative Reports are required at least once at the end of the project period, but mostly quarterly. Program Grants Manager handles the documentation for such reporting. Expenditures are made against budget amounts and analyzed continuously by field and US-based management. Discussions, e-mails, and other techniques of communication are employed to ensure that funds are utilized according to the original intent. Accomplishments are documented in writing and submitted to our field offices or the head office in Berkeley.
