Facts And Circumstances Test

The Maine Masonic Charitable Foundation of the Grand Lodge of Maine conducts charitable activities across the State. Much of this activity is in conjunction with 186 Masonic Lodges and 24 District Associations of Lodges. The Foundation actively encourages contributions from the lodges, their members, and the public. Bequests and legacy gifts are also encouraged. Although the Foundation is not a membership organization, the lodges are. Dues are reasonable and membership is available to all economic groups within Maine. There are approximately 18,600 members of the Masonic movement in the State working with the Charitable Foundation to benefit their communities in various ways. The organization sponsors several programs intended to benefit the community as a whole. The Foundation provides funding, and Masons provide volunteer time. Non-Masons actively work alongside the Masons in implementing these programs. There are time tested programs that the Foundation supports and new, innovative programs that the Foundation has started in recent years to better serve the State of Maine. In a joint project with the 24 District Associations across the entire state, the Foundation provided a \$2,000.00 Grant to a 501(c)(3) organization within each District. The program was designed to provide several such groups the opportunity to expand their individual recognition with the community while vying for the grant award online. Almost 70,000 votes were registered to generate the 24 winning organizations which resulted in a large amount of publicity and raised awareness of the Foundation, while benefiting these worthy organizations. Our Bikes for Books program continues to expand by leaps and bounds across the State. The program is intended to be executed in concert with a school's reading initiative to support local schools. Each year, we have seen an increase in the number of lodges who are going into the community, reaching schools to propose a partnership, engage the community to raise funds, and see free bikes and helmets into the hands of worthy children who have earned a reward for their efforts. This past year we have seen thousands of bikes given away and our matching grants totals were up by 84%. School administrators, children, parents, and lodge members all know this program works and benefits their communities. During the 2014-2015 fiscal year, the Foundation undertook a fund raising initiative to expand our Masonic library in Holden with great success resulting in ground breaking in the early part of the 2015-2016 fiscal year. The library expansion was greatly supported from around the state, and especially appreciated in Holden where they have no public library and the Foundation has opened the doors to the community and schools there. The Foundation provides direct financial support to the all six of the Maine Veteran Homes and the VA Hospital in Togus, the Maine Public Broadcasting Network, the MS Society of Maine, the two Children's Dyslexia Centers in Maine, a Masonic museum and library in Holden, various scholarships, two Boy Scout troops in Maine, support for the Maine Masonic College, the Child Identification Program, and Goodwill Incorporated's Veterans Assistance Program. The Foundation also provides direct charitable assistance to Masons and non-Masons on a demonstrated need basis. The Foundation also provides financial support for activities conducted by local lodges. During the past year, an additional 1,267 Masonic volunteers participated in local community events such as support for Project Graduation (109 Masonic volunteers, 351 Masonic hours, 147 non-Masonic volunteers, 340 non-Masonic volunteer hours), Books for Bikes (692 volunteers Masonic volunteers, 3,658 Masonic hours, 776 non-Masonic volunteers, 3,180 non-Masonic volunteer hours), Child Identification Program (314 Masonic volunteers, 175 Masonic hours, 122 non-Masonic volunteers, 146 non-Masonic volunteer hours) Other community activities (572 Masonic volunteers, 5,542 Masonic hours, 901 non-Masonic volunteers, 6,267 non-Masonic volunteer hours). Because of the broad nature of its financial support and volunteer activity, because of the number and nature of the community activities it conducts and supports, and consistent expansion of the Foundation's beneficial programs, the Foundation believes there is no doubt that it meets the facts and circumstances test of IRC Section 509(a)(1).
