3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? ☐ Yes ☒ No

If "Yes," describe these changes on Schedule O

4a	(Code	(Expenses \$	192,936,170	including grants of \$	1,224,205)	(Revenue \$	143,037,796)
	Legacy provides administrative services for the System in the areas of general administration, finance, legal services, human resources, information management, patient billing, quality and patient safety, and marketing and also oversees and supports health education and community wellness programs throughout the System's service area. Legacy is the sole corporate member of six nonprofit corporations: Legacy Emanuel Hospital & Health Center (LEHHC), Legacy Good Samaritan Hospital and Medical Center (LGSHMC), Legacy Meridian Park Hospital (LMPH), Legacy Mount Hood Medical Center (LMHMC), Legacy Salmon Creek Hospital (LSCH) and Legacy Visiting Nurse Association (LVNA). While there is investment in a variety of community-based activities and programs as a part of its non-profit status, an overwhelming majority of Legacy community benefit comes in the form of providing uncompensated care. Legacy's policy of providing care regardless of the ability to pay makes it one of the region's largest providers of uncompensated care in the four-county metropolitan area. Legacy, collectively provided over \$25 million, \$144 million, \$58 million, and \$2 million in uncompensated care attributable to its financial assistance, Medicaid, Medicare, and other government programs, respectively, in fiscal year 2015. In addition, Legacy provided over \$20 million in other community benefit activities during fiscal year 2015. In support of its mission, Legacy voluntarily provides medically necessary patient care services that are discounted or free of charge to persons who have insufficient resources and/or who are uninsured. The criteria for charity care is determined based on eligibility for insurance coverage, household income, qualified assets, catastrophic medical events, or other information supporting a patient's inability to pay for services provided. Specifically, Legacy provides an uninsured discount of 35% to patients who have resided within Legacy's primary service area for a period of six months, are uninsured for hospital care, and have a household income of less than \$100,000 annually. Further discounts are available for patients, on a sliding scale, whose household income is less than 400% of the federal poverty level or roughly \$97,000 for a family of four in Portland, Oregon. For patients whose household income is at or below 200% of the federal poverty level, a full subsidy is available. In addition to the household income criteria, the patients' qualified assets (e.g., 25% of household assets), and other catastrophic or economic circumstances are considered in determining eligibility for charity care. During 2015, Legacy provided charity care on 47,596 patient accounts, representing 5,072 inpatient accounts, and 42,524 outpatient accounts. In 2015, 5% of the patients receiving charity care received a full subsidy representing roughly 3% of the total charity provided. The top five services provided to patients qualifying for charity care were emergency/trauma, surgery, cardiovascular, pediatrics, and general acute care. In addition to charity care, Legacy provides services under various states' Medicaid programs for financially needy patients. The cost of providing services to Medicaid beneficiaries generally exceeds the reimbursement from these programs. Legacy provides services to Medicare beneficiaries and beneficiaries under other government programs (such as TRICARE), for which the cost of treating these patients exceeds the government payments received. The cost of services provided under these programs is determined based on the relationship of costs (excluding the provision for doubtful accounts and those costs associated with medical education, research, community health services, and other contributions) to billed charges. Legacy also employs financial counselors and social workers, who assist patients in obtaining coverage for their healthcare needs. This includes assistance with workers compensation, motor vehicle accident policies, COBRA, veterans' assistance, and public assistance. This program assisted many patients in obtaining coverage through a third party, reducing the patients' financial responsibility. The costs associated with this program were \$1.6 million and 1.2 million in 2015 and 2014, respectively.						

(Code	(Expenses \$	including grants of \$	(Revenue \$
In 1998, the Legacy Board allocated \$10 million to establish a Community Health Fund from operating revenue to address major community health issues. For more than a decade, \$500,000 has been granted annually to community-based projects addressing racial and ethnic inequities and root causes. These dollars are in addition to Legacy's other charitable contributions. The Community Health Fund has provided more than 50 grants since 1998 totaling more than \$7.1 million. Recognizing that education, employment and income inequities exist for communities of diversity, and that health professions are lacking in diversity, Legacy established the Youth Employment in Summer program. African American and Hispanic youth receive paid summer employment in departments where they worked with health professionals and earned college scholarships between \$2,500 and \$5,000 annually. Students can remain in the program as long as they stay in school and pursue healthcare careers. Some students have remained in this program for as long as seven years and graduated with degrees in a variety of healthcare fields. Legacy encourages and supports employee volunteerism. Legacy donates \$100 to nonprofit health, human service or education organizations in honor of employees who volunteer on personal time 50 hours a year. Employees may receive paid time when volunteering in one or two week time periods in local nonprofit organizations through Legacy's community service leave program. Non-cash donations of resources include clinical and non-clinical services and items (e.g., screenings and support services, internships, information and referral services and health fairs). Legacy's warehouse is available to nonprofit organizations to obtain surplus equipment and furniture. In addition, conference room space is made available to local nonprofits for Board and community meetings.

Return Reference	Explanation
Part I, Line 1a Relevant information in regards to selections on 1a	Some executives belong to business clubs. Any expenses relating to the personal use of the club are paid directly to the club by the executive. Only business related use is paid to the business club or reimbursed to the executive by Legacy. An allocation of personal use of dues is completed annually and added to the compensation of the executive. Legacy does periodically reimburse for some travel of companions. During 2014, some travel expenses for companions of Legacy Board Directors and executives were reimbursed. These transactions follow Legacy's reimbursement policy requiring documentation and approval of the expenses, prior to reimbursement. These payments are taxable to the individuals and are reported on a W-2 for employees or a 1099 for Board Directors.
Part I, Line 5b Explanation of organization compensation based on revenues of related organization	Physicians employed by Legacy affiliates are paid a bonus contingent upon their revenue generated during the year measured by industry standard relative value units (RVU).
Part I, Line 6b Explanation of organization compensation contingent on net earnings from related or	Legacy has an at-risk incentive compensation plan for management. The plan is based on meeting goals related to employee engagement, work processes, customer service, clinical quality, financial management, and certain key strategic tactics. In order to payout any at-risk incentive compensation, Legacy must exceed operating margin targets.
Part I, Line 8 Amounts reported on 990 VII pursuant to initial contract exemption described in Regs	Legacy enters into initial employment agreements with Executives that qualify under the initial contract exception. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for key executive positions. The Committee relies on comparable market data and all decisions are documented.
Part III, Additional Information	Sch J, Part 1, Question 3 Regarding Compensation Practices: Directors for Legacy started receiving compensation for their services in August 2014. The compensation for 2014 was not paid out until February 2015 and will be reported in FY2016 to match the 1099 reporting. They also receive expense reimbursements related to their duties. Any expense reimbursements to board members are reviewed by the Director of Tax for determining 1099 tax reporting. Compensation received by Dr. Newberry and Dr. Hill during 2014 related to their duties for the Medical Staff at Legacy Meridian Park Hospital and Legacy Emanuel Hospital respectively. Dr. Root received compensation relating to her duties as President of the Legacy Emanuel Medical Staff & compensation for medical services provided to Legacy Emanuel Hospital. Executive compensation for Legacy is designed to recruit, retain and motivate qualified senior management personnel. The comprehensive compensation plan is designed for positions that have a significant impact on the high-level strategic and policy direction of Legacy and its affiliates. Base pay and total compensation (including incentive compensation) for similar positions is established at a level comparable to market compensation for healthcare organizations. External consultants are regularly used to review published compensation surveys of comparable organizations and comparable benchmark positions in the market. The Compensation Committee of the Board of Directors, none of whom is a Legacy employee, reviews the compensation for executive positions. The Committee oversees the system's governance procedures with respect to intermediate sanctions legislation and the evaluation of reasonableness of compensation. The Committee reports to the Board in sufficient detail to enable the entire Board to take such actions as are required to obtain the rebuttable presumption of reasonableness. The Compensation Committee also reviews tax-reporting disclosures. Sch J, Part II, Column Breakdown Of W-2 Or Misc-1099: Column B(i) - Base compensation consists of regular base pay including employee elected deferrals for retirement plans (403(b) and 457(b) plans). Column B(ii) - The incentive compensation program for Legacy is based on predetermined criteria and reviewed and approved by the Board. Bonuses are paid to key employees for interim duties outside their primary responsibilities (e.g., Acting in Capacity). Column B(iii) - Other compensation consists of deferred compensation amounts paid to executives during the current year and were reported on prior form 990 returns. These amounts include arrangements that contain elements of a substantial risk of forfeiture conditioned on continued employment, vesting and/or a noncomplete provision upon termination of employment. Distributions from 457(b) plans, reported to the employee on a 1099-R, are also included as other compensation. In addition, imputed income for insurance, cell phone and other benefits is included in other compensation as well as any severance related payments. Column C - Deferred compensation includes the value of defined benefit plans, contributions to defined contribution plans, amounts deferred under the 457(f) plan including earnings, earnings in the 457(b) plan, and the value of the pension restoration plan. Earnings on the 457(f) and 457(b) include gains and losses on the underlying investments. The defined contribution plan is available to all employees as they become qualified to participate. The pension restoration plan provides executive pension benefits in excess of IRS mandated limits on eligible compensation to key executives. The benefits are unfunded and subject to forfeiture. Executive pension benefits are intended to make the executive's retirement benefit, as a proportion of their final average salary, comparable to all other employees, and are treated as income when paid. The Legacy Health Board approved an Executive Long Term Incentive Plan effective April 1, 2011 for 3 years ending on March 31, 2014. The initial participants include the CEO, CFO and COO. The long-term strategic goals included improving the quality of care by promoting a culture of safety, effective meaningful use and optimal care outcomes, improved financial management and bond ratings, and improving philanthropic support. Targets for operating margins and clinical quality were required over the three year period and all goals were measured at March 31, 2014. The Plan was funded and paid out in July 2014 after approval from the Legacy Health Compensation committee and the Legacy Health Board. The amount paid out was properly reported as deferred compensation in prior years. The total amount paid out is included in the CEO and COOs compensation reported as deferred in prior Form 990 in 2014 and is \$300,000, and \$145,000 respectively. The CFO left Legacy in 2013 and did not receive any payout. The Legacy Health Board approved the goals and long-term objectives for the Executive Long Term Incentive Plan effective April 1, 2014 for 3 years ending on March 31, 2017. The plan is discretionary and can be terminated at any time. The purpose of the Plan is to attract and retain highly qualified senior executives, to focus management performance and reward participants for contributing to the accomplishments of Legacy's long-term objectives. The long-term strategic goals include the development of a health plan partnership strategy, partner with other local healthcare providers to open a center for behavioral health, expanded use of information technology and data analytics to improve patient care, and executing an urgent care strategy to improve access to care and reduce emergency visits. Targets for operating margins and clinical quality are required over the three year period and all goals are measured at March 31, 2017. Payout is after approval from the Legacy Health Compensation committee and the Legacy Health Board. Column D - Nontaxable benefits include company paid health and welfare and long term care and disability benefits under group plans. Column F - Current year compensation reported as deferred in prior years.
