Facts And Circumstances Test

Return Reference	Explanation
Part IV, Section D, Line 3 Role The Organization's Supported Orgs Played	x The Foundations supported organizations have a significant voice in the investment policies of the Foundation, the timing of grants, the manner of making grants, and the selection of recipients of grants from the Foundation, and otherwise in directing the use of the income and assets of the Foundation, because a majority of the members of the Board of Directors of the Foundation, its sole governing body with decision-making authority, overlap as members of the governance boards of the Foundations supported organizations Accordingly, the Foundations supported organizations have the ability to influence (though not necessarily control) the Foundations decisions regarding the use of its income and assets In addition to the significant voice that the supported organizations have with respect to the Foundations decisions as to the use of its income and assets, the responsiveness of the Foundation to the needs of its supported organization is also evident from the fact that the Foundation, which was in existence prior to November 20, 1970, primarily serves the needs of the relatively small community of Quincy, Illinois (approx pop of 40,000) and has a historic and continuous relationship with each of the supported organizations that received a grant from the Foundation in the current tax year
