Nonprofit organizations must have a valid tax exemption status under Section 501(c)(3) of the Internal Revenue Code and be classified as a public charity and not as a "Private foundation" under Section 509(a). Government and public agencies are also eligible for funding.

It is the Foundation's intent to make grants in the range of \$3,000 to \$7,500. The annual grants budget is \$500,000.

While deciding how much to grant to whom, the Foundation will give careful consideration to:

- The number of people that will benefit from the project
- The number of local volunteers supporting the organization and the project

- The commitment and composition of the organization's Board of Directors or Board of Trustees
- The extent to which the applicant complements the services of other community organizations
- The organization's fiscal responsibility and management qualifications
- The ability of the organization to provide ongoing funding after the term of the grant
- The extent to which the program addresses underlying causes, rather than just symptoms of specific problems, and
- How well the organization plans to monitor and evaluate the results of the project

Grant requests for specific purposes are usually preferable to those for normal operating expenses

Grants are generally made for one year only

Teichert Foundation will not consider grants to the following types of organizations or for the following purposes:

- Religious organizations for explicit religious activities, as distinguished from social or educational activities
- Political organizations or political campaigns
- Fraternal organizations, societies, or orders
- Courtesy advertising or tickets for benefits
- Telephone solicitations
- National fundraising efforts

An agency funded by the Foundation must agree to submit a timely report on the use of the grant, based on its proposal. Please refer to [Grant Reporting](#) for more information. The Foundation should be informed of any major changes in the program or staff.
