Return Reference	Explanation
Part X, Line 2	DFS is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and qualifies for the charitable contribution deduction. However, income from activities not directly related to DFS's tax-exempt purpose is subject to taxation as unrelated business income. There was no unrelated business income in the years ended March 31, 2015 and 2014. Management is required to evaluate tax positions taken by DFS and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Management has analyzed the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements and determined there are none. DFS is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress. Management believes that DFS is no longer subject to income tax examinations for years prior to March 31, 2012.
