These contributions and matching funds are held by The Banff Centre Foundation and The Banff Community Foundation (an unrelated public charitable foundation) and managed as a permanent endowment for the sole benefit of the Centre. During 2015 the Centre transferred \$1,000,000 of eligible donations to The Banff Centre Foundation (2014 - \$2,000,000). The market values of the funds held by these foundations are as follows:

Investment income earned on endowments must be used in accordance with the various purposes established by the donors or the Board of Governors. Benefactors as well as the Centre's policy stipulate that the economic value of the endowments must be protected by limiting the amount of income that may be expended and by reinvesting unexpended income

Notes to the Consolidated Financial Statements

For the year ended March 31, 2015
(tabular amounts in thousands of dollars)

Note 14 Endowments (continued)

Under the Post-Secondary Learning Act, the Centre has the authority to alter the terms and conditions of endowments to enable:

- income earned by the endowment to be withheld from distribution to avoid fluctuations in the amounts distributed and generally to regulate the distribution of income earned by the endowment
- encroachment on the capital of the endowment to avoid fluctuations in the amounts distributed and generally to regulate the distribution of income earned by the endowment if, in the opinion of the Board of Governors, the encroachment benefits the Centre and does not impair the long-term value of the fund

In any year, if the investment earnings on endowments are insufficient to fund the spending allocation, the spending allocation is funded from the cumulative earnings reinvested in the fund. However, for individual endowment funds without sufficient cumulative reinvested earnings, endowment principal may be used in that year. This amount is expected to be recovered from future investment earnings.

Independent Auditor's Report

To The Board of Governors of
The Banff Centre

We have audited the accompanying consolidated financial statements of The Banff Centre, which comprise the consolidated statement of financial position as at March 31, 2015, and the consolidated statements of operations and changes in net assets, remeasurement gains and losses and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of The Banff Centre as at March 31, 2015, and the results of its operations, its remeasurement gains and losses and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Notes to the Consolidated Financial Statements

For the year ended March 31, 2015

(tabular amounts in thousands of dollars)

Note 1 Authority and Purpose

The Board of Governors of The Banff Centre (the "Centre") is a corporation which operates under the Post-Secondary Learning Act (Alberta). The Centre is a registered charity, and under section 149 of the Income Tax Act (Canada), is exempt from income tax.

The Centre provides public access to a broad range of learning and professional development experiences with emphasis on the arts, leadership development, and the exploration of issues related to mountain culture and the environment.

Note 2 Summary of Significant Accounting Policies and Reporting Practices

Consolidated financial statements

These financial statements are prepared on a consolidated basis and include the accounts of The Banff Centre Foundation which is controlled by the Centre and operated exclusively to support the activities of the Centre. The Foundation is a registered charity, and under section 149 of the Income Tax Act (Canada), is exempt from income tax.

Public sector accounting standards ("PSAS") and use of estimates

These financial statements have been prepared in accordance with PSAS, including the 4200 series of standards. The measurement of certain assets and liabilities is contingent upon future events; therefore, the preparation of these financial statements requires the use of estimates, which may vary from actual results. The Centre's management uses judgment to determine such estimates. Employee future benefit liabilities, amortization of tangible capital assets, revenue recognition for expended capital, potential impairment of capital assets, accrued liabilities, and the provision for bad debts are the most significant items based on estimates. In management's opinion, the resulting estimates are within reasonable limits of materiality and are in accordance with the significant accounting policies summarized below. These significant accounting policies are presented to assist the reader in evaluating the financial statements and together with the following notes should be considered an integral part of the financial statements.

Valuation of financial assets and liabilities

The Centre's financial assets and liabilities are generally measured as follows:

Cash, cash equivalents, and similar fixed income instruments	Amortized cost
Investments - pooled investment funds, operating	Amortized cost
Investments - endowment	Fair value
Accounts, grants and notes receivable	Amortized cost
Accounts payable and accrued liabilities	Amortized cost
Long-term debt	Amortized cost

Unrealized gains and losses from changes in the fair value of unrestricted financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations.

Unrealized gains and losses from changes in the fair value of restricted financial instruments are recognized as deferred revenue or as endowment net assets.

Interest and dividends attributable to financial instruments are reported in the statement of operations, except for the restricted portions which are recognized as deferred revenue or as endowment net assets.

THE BANFF CENTRE

Notes to the Consolidated Financial Statements

For the year ended March 31, 2015

(tabular amounts in thousands of dollars)

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

Valuation of financial assets and liabilities (continued)

All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. The write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense. The purchases and sales of cash, cash equivalents and investments are accounted for using trade-date accounting.

Management evaluates contractual obligations for the existence of embedded derivatives and elects to either designate the entire contract for fair value measurement or separately measure the value of the derivative component when characteristics of the derivative are not closely related to the economic characteristics and risks of the contract itself. Contracts to buy or sell non-financial items for the Centre's normal purchase, sale or usage requirements are not recognized as financial assets or liabilities. The Centre does not have any embedded derivatives.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, demand deposits and highly-liquid investments that are readily convertible to cash and have a short maturity of less than three months from the date of acquisition.

Inventories

Inventories held for resale are valued at the lower of cost and net realizable value, being the estimated selling price less the cost to sell. Inventories held for consumption are valued at the lower of cost and replacement value. Cost is calculated principally using the weighted-average cost method.

Capital assets

Purchased capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement and betterment of the assets. The cost of capital assets includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the assets. Capital assets, except for property under development, are amortized on a straight-line basis over the estimated useful lives of the assets as follows:

Land improvements	20 years
Buildings and improvements	50 years
Equipment, furnishings and software	4-15 years

Property under development is not amortized until the project is substantially complete and the asset is placed in service. Capital lease obligations are recorded at the present value of the minimum lease payments excluding any lease operating costs. Contributed capital assets are recorded at their fair market value when a fair value can be reasonably determined. Works of art, historical treasures and collections are expensed when acquired and not recognized as capital assets, but the cost of these collections is disclosed in Note 7.

Capital assets are written down when conditions indicate that they no longer contribute to the Centre's ability to provide goods and services, or when the value of future economic benefits associated with the capital assets is less than their net book value. The net write-downs are accounted for as expenses in the statement of operations.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

Revenue recognition

All revenues are reported using the accrual basis of accounting. Accordingly, amounts received for tuition, fees, and sales of goods and services are classified as unearned and recognized as revenue at the time the goods are delivered or the services are provided. Investment income is recognized as revenue when earned.

The Centre follows the deferral method of accounting for contributions and recognizes government grants, donations and other grants as described below.

Donations and non-government grants are received from individuals, corporations, and private sector not-for-profit organizations. These funds may be unrestricted or restricted for operating, endowment or capital purposes.

Unrestricted contributions are recorded as revenue in the year received or in the year the funds are committed to the Centre if the amount can be reasonably estimated and collection is reasonably assured.

Externally restricted non-capital contributions are deferred and recognized as revenue in the period in which the related expenses are incurred. Externally restricted amounts can only be used for the purposes designated by external parties.

Any externally restricted contributions containing stipulations that the amounts and related earnings be retained as net assets or that the contributions not be expended are recorded as direct increases in net assets. Such stipulations would include contributions made for endowment purposes or to acquire non-amortizable property. Realized and unrealized gains and losses and investment earnings attributable to these funds that must be maintained in perpetuity are also recognized as a direct increase in endowment net assets.

Externally restricted capital contributions are recorded as deferred contributions until the amounts are invested in capital assets. External funds invested in capital assets are then transferred to deferred expended capital contributions. Deferred expended capital contributions are recognized as revenue in the periods in which the related amortization expense of the funded capital assets is recorded. The related portions of amortization expense and capital contributions revenue are matched to indicate that the amortization expense has been funded externally.

Investment income includes dividend and interest income and realized gains or losses on the sale of investments. Unrealized gains and losses on investments that are not from restricted transfers, donations or grants are recognized in the statement of remeasurement gains and losses until the related investments are sold. Once realized, these gains and losses are recognized in the statement of operations.

In-kind donations of services and materials are recorded at fair value when such value can be reasonably determined. While volunteers and staff contribute a significant amount of time each year to assist the Centre, the value of their services is not recognized as revenue and expenses in the financial statements because the fair value cannot be reasonably determined.

Scholarships and financial assistance

Scholarships and financial assistance include payments to resident artists and program participants for tuition, fees, accommodations and other program related costs.

Note 2 Summary of Significant Accounting Policies and Reporting Practices (continued)

Foreign currency translation

Financial assets and liabilities recorded in foreign currencies are translated into Canadian dollars at the year-end exchange rate. Revenues and expenses are translated when recorded during the year using the prior month-end exchange rates. In the period of settlement, realized gains and losses from these translations are included in investment income. Unrealized gains and losses are recognized in the statement of remeasurement gains and losses.

Employee future benefits

The Centre participates with other employers in the Public Service Pension Plan (PSPP) and the Universities Academic Pension Plan (UAPP). These pension plans are multi-employer defined benefit pension plans that provide pensions for the employers' participating employees based on years of service and earnings.

Pension expense for the UAPP is actuarially determined using the projected benefit method prorated on service and is allocated to each participant based on their respective percentage of employer contributions to the plan. Actuarial gains or losses on the accrued benefit obligation are amortized over the expected average remaining service life of active plan members.

The Centre does not have sufficient plan information on the PSPP required to follow the standards for defined benefit accounting. Accordingly, pension expense recorded for the PSPP is comprised of employer contributions to the plan that are required for its employees during the year. The contributions are calculated based on actuarially predetermined amounts that are expected to provide the plan's future benefits.

Future Accounting Changes

In March 2015 the Public Sector Accounting Board issued PS 3420 - Inter-entity Transactions. This accounting standard will be effective for fiscal years beginning on or after April 1, 2017.

- PS 3420 - Inter-entity Transactions establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective.

Management is currently assessing the impact of this new standard on the financial statements.

Note 4 Financial Risk Management

The Centre is exposed to a variety of financial risks, including market risks (price risk, currency risk and interest rate risk), credit risk and liquidity risk. To manage these risks, the Centre invests in a diversified portfolio of investments that is guided by established investment policies that outline risk and return objectives. The long-term objective of the Centre's investment policies is to achieve a long-term real rate of return in excess of fees and expenses and maintain the real value of the funds. The Board of Directors of The Banff Centre Foundation has the delegated authority for oversight of the Centre's endowment investments.

The Centre does not use foreign currency forward contracts or any other type of derivative financial instruments for trading or speculative purposes.

THE BANFF CENTRE

Notes to the Consolidated Financial Statements

For the year ended March 31, 2015

Note 4 Financial Risk Management (continued)

The Centre is exposed to the following risks:

Market risk

Market risk is the risk that the value of a financial instrument will fluctuate as a result of changes in market prices, whether those changes are caused by factors specific to the individual security, its issuer or general market factors affecting all investments. To manage this risk, the Centre has policies and procedures in place governing asset mix, diversification, exposure limits, credit quality and performance measurement

Certain investment portfolios include only pooled fund holdings in which the Centre has an equity interest represented by units of the pooled fund and any distributions from the funds. The pooled fund investments consist of several other pooled fund holdings of cash and cash equivalents, Canadian bonds, and Canadian, U.S. and international equities. At March 31, 2015, the impacts of changes in the rates of return on these investment portfolios are as follows:

for pooled fund investments -

- a 6.69% change would result in a \$2,000,000 increase or decrease

for segregated asset holdings -

- a 1.64% change in short-term cash equivalents would result in a \$5,750 increase or decrease
- a 2.68% change in fixed income securities would result in a \$75,000 increase or decrease
- a 7.38% change in common stocks and equivalents would result in a \$400,000 increase or decrease

Foreign currency risk

Foreign currency risk on investments is the risk that the value of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The significant holdings denominated in foreign currencies are in U.S. dollars, with smaller amounts in other foreign currencies that are not significant to the portfolio as a whole. The Centre is exposed to minimal foreign currency risk as it holds \$3,463,000 in U.S. denominated investments and conducts minimal transactions in foreign currencies.

Interest rate risk

Interest rate risk is the risk to the Centre's earnings that arises from the fluctuation and degree of volatility in those rates. This risk is managed by investment policies that limit the term to maturity of certain fixed income instruments held by the Centre. Interest rate risk on the Centre's debt is managed through fixed-rate loan agreements, budget contingencies to absorb rate fluctuations, and debt prepayment provisions to provide for a reduction of outstanding amounts prior to the renewal dates of any term loans. Bonds are affected indirectly as they are subject to fluctuations in market values.

The maturities of interest-bearing investments held by the Centre are as follows:

	< 1 year	1-5 years	> 5 years	average market yield
	%	%	%	%
Money market funds	100.0	-	-	0.70

Credit risk

The Centre is exposed to credit risk on investments arising from the potential failure of a counterparty, debtor or issuer to honor its contractual obligations. To manage this risk, the Centre has established an investment policy with required minimum credit quality standards and issuer limits.

The Centre's accounts receivable are subject to normal credit risks due to the nature of the Centre's customers and grantors. The carrying values of these receivables reflect management's assessment of the credit risk associated with these customers and grantors.

The credit risks on investments held by the Centre are as follows:

	2015	2014
	%	%
A or higher	91.2	90.8
BBB	8.8	9.2

Liquidity risk

The Centre maintains a short-term line of credit to ensure that funds are available to meet current and forecasted financial requirements. At March 31 for the years presented in these financial statements, no amounts were outstanding under these credit facilities.

Note 5 Accounts and Grants Receivable

Accounts receivable are unsecured and non-interest bearing. No significant amounts are past due more than 90 days at March 31 of these years.

Note 6 Notes Receivable and Deferred Charge

In prior years, the Centre advanced a total of \$672,800 to Rocky Mountain Cooperative Housing Association for the right to lease 42 accommodation units. In December 2005, the terms of the notes were modified to discontinue the accrual of interest (interest accrued to that date was \$26,037). The notes are unsecured and repayable in 2019. Commitments under these operating leases are included in Note 11 - Long-Term Debt and Commitments.

The notes receivable are discounted to a present value of \$541,395 (2014 - \$517,191). The discount is amortized using the effective interest method. The deferred charge of \$108,494 (2014 - \$131,335) is amortized over the lease period.

The Centre holds permanent collections of both library materials and artwork. Due to the subjective nature of these assets, they are not included in capital assets. The cost of these assets expensed in 2015 was \$13,000. As of March 31, 2015 the cumulative historical cost of these assets which have not been capitalized is \$1,544,000 (2014 - \$1,531,000).

In January 2014 the Centre renewed the loan on similar terms for a 19-month period until July 1, 2016, with interest at 3.04% per annum.

From time to time the Centre enters into capital leases to finance various purchases of equipment. These leases generally range in maturity from three to five years with implicit interest rates between 3.0% and 5.0%.

The Centre maintains a Letter of Credit Facility of up to \$200,000 ("Credit Facility") at an interest rate of 1.3% per annum. Amounts drawn under this Credit Facility are available through commercial letters of credit. At March 31, 2015, \$75,000 is issued and outstanding (2014 - \$75,000)

Interest expense on long-term debt for the years ended March 31, 2015 and 2014 was \$17,033 and \$29,903, respectively. Interest expense approximates interest paid for both fiscal years. These expenses are included in the institutional support category of functional expense.

Commitments

In January 2015 the Centre entered into a long-term supply arrangement with an electrical utility supplier for its electrical power needs for the period February 1, 2015 to January 31, 2020, at a rate of \$0.0489 per kilowatt hour subject to minimum and maximum requirements

The Centre is party to an agreement with Rocky Mountain Cooperative Housing Association under which the Centre is committed to the rental of 42 housing units through December 2019. Under this agreement, the monthly rent is approximately \$47,733, and the total of all commitments over the remainder of the lease term is approximately \$2,720,781.

Note 12 Employee Future Benefit Liabilities

The Centre participates with other employers in the Public Service Pension Plan (PSPP) and the Universities Academic Pension Plan (UAPP). These pension plans are multi-employer defined benefit plans that provide pensions for the Centre's participating employees based on years of service and earnings.

PSPP

As the Centre does not have sufficient information on the PSPP to follow the accounting standards for defined benefit plans, the plan is accounted for on a defined contribution basis. Accordingly, pension expense of \$1,280,000 (2014 - \$1,225,000) recorded for the PSPP is comprised of employer contributions to the plan that are required for the Centre's employees during the year. Pension expense is recorded as a direct cost together with the related salaries and wages and reported in all expense categories of the statement of operations. Contributions are calculated based on actuarially predetermined amounts that are expected to provide the plan's future benefits.

An actuarial valuation of the PSPP was carried out at December 31, 2012 and was then extrapolated to December 31, 2014. At December 31, 2014, the PSPP reported an actuarial deficiency of \$803.3 million (2013 - \$1.255 billion) for the plan as a whole. The deficiency is being discharged through additional contributions from both employees and employers until 2025. Other than the requirement to make additional contributions, the Centre does not bear any risk related to the PSPP deficiency.

*(tabular amounts in thousands of dollars)***Note 12 Employee Future Benefit Liabilities (continued)****UAPP**

The UAPP is a multi-employer defined benefit pension plan for academic staff members and other eligible employees. An actuarial valuation of the UAPP was carried out at December 31, 2012 and further extrapolated to the Centre's year ended March 31, 2015. The Centre's share of the benefit liability, which has been allocated based on employer contributions to the plan, is estimated to be \$3,331,000 at March 31, 2015 (2014 - \$3,526,000).

The Centre recorded its share of pension expense of \$978,000 (2014 - \$1,067,000).

The significant actuarial assumptions used to measure the UAPP accrued benefit obligation for the plan as a whole and the Centre's share of the benefit obligation and benefit costs are as follows:

	2015	2014
Accrued benefit obligation at March 31	\$ 22,319	\$ 18,649
Discount rate	6.10%	6.60%
Benefit costs for years ended March 31	\$ 722	\$ 751
Discount rate	6.10%	6.60%
Average compensation increase	3.50%	3.50%
Estimated average remaining service life	8.6 yrs	8.6 yrs

The UAPP unfunded deficiency for service prior to January 1, 1992 is financed by additional contributions of 1.25% of salaries by the Government of Alberta. Employees and employers share equally the balance of the contributions of 2.87% (2014 - 2.87%) of salaries required to eliminate the unfunded deficiency by December 31, 2043. The Government of Alberta's share of the obligation for the UAPP unfunded deficit at March 31, 2015 is \$313.5 million (2014 - \$310.7 million).

The UAPP unfunded deficiency for service after December 31, 1991 is financed by special payments of 5.79% (2014 - 5.79%) of pensionable earnings until December 31, 2021, 1.71% (2014 - 1.71%) of salaries for 2022 and 2023, 0.70% (2014 - 0.70%) of salaries for 2024 and 2025, and 0.25% (2014 - 0.25%) of salaries for 2026 and 2027, all shared equally between employees and employers.

Administrative leave

The Centre provides the President a paid leave of absence at the end of her/his administrative appointment, accrued during the period of employment. Upon completion of the term of service, the salary and benefits in effect at that time are paid for the duration of the leave. A lump sum payment may be taken at the end of the appointment with Board approval.

The Centre's benefit expense for administrative leave totaled \$16,000 (2014 - \$58,000). The accrued benefit liability at March 31, 2015 is \$2,000 (2014 - \$144,000), with \$158,000 of benefits paid out or forfeited during the year. No assets are set aside to fund the liability as the Centre plans to use its working capital to finance this future obligation.

Note 19 Contingencies

The Centre is subject to audits from federal and provincial tax authorities in the normal course of business which can give rise to assessments related to tax filing positions the Centre has taken on its tax returns. While management of the Centre believes that the filing positions are appropriate and supportable, the possibility exists that certain matters may be challenged by the tax authorities. Management of the Centre regularly reviews the potential for adverse outcomes and believes that any decisions in these matters will not have a material adverse effect on the financial position or the results of operations of the Centre.
