Return Reference	Explanation
Grantmaker's Description of How Grants are Used	Grant funds disbursed by the College are predominantly available as merit or need based scholarships. These scholarships are disbursed by the Financial Aid office and are credited directly to the student's account to pay for tuition, room and board. They are then monitored by the Financial Aid Office and the Student Accounts Office, both of whom are notified if the student's enrollment status changes during the semester. These offices monitor whether the grantee is taking the necessary classes and is therefore utilizing the grant as it was intended. If a student's enrollment changes, award adjustments are made. Other grant funds are disbursed by the College through Accounts Payable. Qualification and use of these payments are monitored by the respective departments responsible for the disbursement.
