Last year, the agency served 5,717 consumers, over half of which were diagnosed with a serious mental illness. The agency provides a full range of behavioral health services for adults, youth, families, and elders, including specialty populations such as the deaf community on a state-wide basis. Dedicated to ensuring nondiscriminatory access to care, regardless of an individual's or family's ability to pay, A significant number of those served have no source of funding when they first apply for services. As an organization, GNMHC is committed to the incorporation of evidence-based practices for the treatment of mental health disorders. The staff of over 200 provides services that include individual, couple, family and group psychotherapies, psychiatric evaluations, medication management, case management, functional support services, substance misuse treatment, supported housing services, vocational services, supervised visitation services, assertive community treatment for both youth and adults, services for youth in area schools, community connections and support for Mental Health Court, Veteran's Court and Drug Court. GNMHC's Deaf Services Team, the only one in the State, provides behavioral health services to individuals and families throughout New Hampshire. For over 45 years, GNMHC has been the designated community mental health center for southern Hillsborough County. No other area practice, or hospital service, is dedicated solely, as GNMHC is, to the prevention and treatment of mental illness at the lowest or even no cost. GNMHC is the provider with the broadest array of quality services, providing critical mental health services to the community's most vulnerable members.
