The Medical Center sponsors emergency service efforts through planning hours for emergency preparedness and bioterrorism preparedness safety management. The Medical Center sponsored the following partnerships and services to promote the health of the communities it serves: School Partnerships: Partnership with Manchester School System; Partnership with VNA, education for classroom teachers; Partnership with VNA, education for pre-school classrooms; Emergency Services: Planning hours for emergency preparedness; Bioterrorism preparedness safety management.

Form and Line Reference	Explanation
Part III, Line 2	Costing methodology ratio of cost to charge is used to arrive at cost

Form and Line Reference	Explanation
Part III, Line 3	Patients deemed eligible for financial assistance follow CMC's charity care policies. Therefore, no bad debt expense related to patients eligible under the Hospital's financial assistance policy is included as a community benefit.

Form and Line Reference	Explanation
Part III, Line 4	See Footnote 2 on Page 9 of the attached audited financial statements

Form and Line Reference	Explanation
Part III, Line 8	The entire Medicare shortfall is reported in our Community Benefit Report to the State of New Hampshire. The Medicare shortfall represents costs incurred by the Hospital for providing care to Medicare patients in the Hospital's service area that were not reimbursed by the federal government. The Hospital considers this amount to be a significant shortfall for providing healthcare-related services to these patients which ultimately benefits the community it serves.

Form and Line Reference	Explanation
Part III, Line 9b	CMC is a charitable healthcare organization that treats patients for medically necessary care regardless of their financial status. CMC's Collections Policy and Procedures addresses the procedures for patients who choose not to make payment or work with CMC to make payment arrangements for their bill. The policy contains specific language that applies to those patients who qualify for financial assistance. CMC will not refer an account to collections where the patient has submitted a completed financial assistance application. Before engaging in extraordinary collection efforts to obtain payment, CMC makes reasonable efforts to determine whether an individual is eligible for financial assistance under our Financial Assistance Policy (FAP). In order to determine whether a patient is eligible for financial assistance, CMC provides written notice that indicates the availability of financial assistance, provides a plain-language summary of the FAP, and attempts to notify the individual orally about the FAP and how the patient may get assistance with the application process.

Form and Line Reference	Explanation
Part VI, Line 2	In collaboration with the city of Manchester and other health care and social service agencies, Catholic Medical Center participates in a community needs assessment as required by the New Hampshire Attorney General's Office Division of Charitable Trusts. The previous Community Needs Assessment was titled, "Believe in a Healthy Community 2009". Since hospitals are required to assess the needs of their community every three years, the Elliot and CMC have undertaken this Needs Assessment for 2013. The two hospitals chose to use the 2009 Assessment as a basis for this current assessment. Doing so allowed them to look more specifically at medically related health needs since that is their primary purview. Hence this report is more targeted and focused in scope. Additional information is obtained on an ongoing basis to assist the Organization in evaluating progress towards meeting our goals and the identification of new areas of need.
