|-----------------------------|--|
| Schedule J, Part I, Line 1a | The President's employment contract allows for spousal travel. The travel is on a limited basis and typically involves the spouse's service as a chaperone on the annual honors students' trip to a world capital. The President resides in a University-owned house near the campus as required in her contract. Numerous functions take place at the President's home in support of the University's mission. Donors, staff and students are welcomed throughout the year. Given the visibility of and the many events that take place at the President's residence, a University employee cleans the home at virtually no extra cost to the University. The availability and approachability of the President is a key element to instilling the sense of community and caring that is central to the University's mission. The University pays for the President's membership in a local country club and a social club, entirely for business purposes. |
| Schedule J, Part I, Line 4 | Michael Konig received gross compensation of \$65,399 pursuant to his separation from employment. |
