Return Reference	Explanation
Schedule D, Part III, Line 1	Collections, which were acquired through purchases and contributions since the College's inception, are not recognized as assets on the statement of financial position. Purchases of collection items are recorded as decreases in unrestricted net assets in the year in which the items are acquired, or as temporarily or permanently restricted net assets if the assets used to purchase the items are restricted by donors. Contributed collection items are not reflected on the financial statements. Proceeds from deaccessions or insurance recoveries are reflected as increases in the appropriate net asset classes.
Schedule D, Part III, Line 4	Occasionally the College receives gifts of art or collectibles which are put on display in various buildings throughout the campus. We also maintain library archives of College historical documents and book collections kept for posterity.
Schedule D, Part IV, Line 2b	The College maintains custodial or "pass through" accounts for Federal student loans, Pell grant and state grants. Funds are held in these accounts until distributed to individual students. The College also maintains custodial accounts for student government and student ministry groups and activities.
Schedule D, Part V, Line 4	The intended use of endowment funds is driven by donor restrictions on our endowments. Approximately 65% of appropriated revenues this year were in scholarship awards. 21% of revenues supported general activities and physical plant. The remaining 14% was allocated to instructional activities and academic support programs. Distributions of income are made using a total return method. We use a spending rate of 4.5% of the 3-year rolling average of the fair market value of the investments.
Schedule D, Part X, Line 2	The College is a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code, as amended (the Code), and is generally exempt from income taxes pursuant to Section 501(a) of the Code. The College is required to assess uncertain tax positions and has determined that there were no such positions that are material to the financial statements.
Schedule D, Part XI, Line 2d	This figure includes the FWS apportionment budget allocation of 188,033 included in income on the financial statements.
Schedule D, Part XI, Line 4b	- Included here are scholarships and grants of 23,499,194 treated as tuition discount on the financial statements, FSEOG and FWS of 450,801 treated as pass through activity on the financial statements and not reflected in income.

Return Reference	Explanation
Schedule E, Part I, Line 3	We draw a substantial percentage of our students from New England and the northeastern States but also draw students nationally and worldwide. We follow a racially nondiscriminatory policy as to our students. Because of this, we believe that the publicity requirement is satisfied by complying with section 402. Because we are an interdenominational Christian college, our market appeal is to a smaller segment of the general population. Given the technology available today, we have invested in our web site as the way to reach the most students. Our racially nondiscriminatory policy is posted on our web site. Our promotional activities and recruiting efforts in each geographic area are designed to inform students of all racial segments interested in a Christian college of the availability of Gordon College.
Schedule E, Part I, Line 6	Gordon College receives Title IV funds for aid to students from the Department of Education for Federal Work Study, FSEOG, Federal Pell grant and other Federal student aid grant programs.
