Briefly describe the organization's mission

United Way works to create lasting change in the community. In partnership with community members and other organizations, United Way identifies priorities in our focus areas of Education, Income, and Health and then works to create, enhance, or expand effective solutions that offer the greatest promise for change. In the education arena, United Way of Greater New Haven is working to ensure that children enter school developmentally on track, and that school-age youth succeed academically and are prepared for college and work. Around income stability, United Way seeks to help families and individuals achieve greater financial success through workforce development services, financial education, and ending homelessness. United Way's Health work focuses on addressing food insecurity, promoting good nutrition, and mental health services for children and youth.

2

Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ?

☐ Yes ☒ No

If "Yes," describe these new services on Schedule O.

3

Did the organization cease conducting, or make significant changes in how it conducts, any program services?

☐ Yes ☒ No

If "Yes," describe these changes on Schedule O.

4

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a

(Code) (Expenses \$ 1,128,280 including grants of \$) (Revenue \$ 50,223)

United Way plays a variety of roles in the community, including serving as a convener, a direct service provider, a strategic grant maker, and as a "backbone" organization that brings together key partners to accomplish specific community goals. In addition, United Way helps educate community members about key issues in the region and how they can be involved in making a difference through volunteering, giving, and advocating.

4b

(Code) (Expenses \$ 4,575,610 including grants of \$ 4,531,176) (Revenue \$ 85,977)

United Way's community investments of financial and human resources include local direct service programs that address basic human needs and crisis services, local programs that focus on prevention, and projects and collaborative efforts to influence community change. Examples of United Way's recent community work include Secure Start, one of our Success By 6 initiatives that is providing parenting classes to help parents create strong, healthy relationships with their young children. An independent evaluation of the initiative shows that parents who participate have increased satisfaction with parenting and fewer depressive symptoms. For school-age youth, United Way has focused on bolstering programs and services available during out-of-school time. In 2014/15, more than 1,500 school-age youth participated in high quality after-school programs and another 2,200 received mentoring or counseling services as a result of United Way funding. In addition, United Way is a partner in the New Haven Trauma Coalition, funded largely through state dollars, which is testing new ways of providing mental health services to students in schools. To help people manage their income, United Way trains volunteers to serve as budget coaches through our Smart About Money (SAM) program. SAM helps low and moderate-income households achieve their financial goals with the assistance of a volunteer Budget Coach. Participants have decreased their debt and increased their savings through participation in SAM. United Way has also supported VITA services in our region; last year, over 4,912 low-income individuals received free assistance to complete their tax returns through VITA, securing more than \$7.2 million in refunds. These dollars helped working families provide food and clothing for their children, and in turn benefited the local economy. Since the advent of the 100 Days Campaign to End Chronic Homelessness last year, United Way has worked with multiple partners to connect almost 250 chronically homeless individuals to housing. In addition, United Way now houses and helps to manage the Coordinated Access Network, the re-designed service system to connect homeless individuals to services and housing more quickly. Thanks to United Way support, the New Haven Food Truck was able to serve more than 50,000 meals to children and youth over the past five summers to prevent childhood hunger and to provide the good nutrition necessary for strong minds and bodies. Through our work with Neighbor-to-Neighbor, a partnership between United Way and the Jewish Foundation of Greater New Haven, over the past five years, more than 4,000 individuals received emergency shelter or housing services to prevent homelessness and more than 1.3 million meals were served at soup kitchens and shelters. More information about United Way's results for our community can be found at www.uwgnh.org.

4c

(Code) (Expenses \$ 609,432 including grants of \$ 493,626) (Revenue \$)

As part of its Success By 6 effort, United Way manages an Early Head Start program through a grant funded by the U.S. Department of Health and Human Services. United Way provides full-day, full-year child care and comprehensive services for thirty-six infants and toddlers and their families through two not-for-profit providers (delegates).
