Return Reference	Explanation
PART X LINE 2	On December 30, 1997, the School was granted exemption from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal income taxes has been made in the accompanying financial statements. In addition, The Bridge Academy, Inc. has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. The School has concluded that there are no uncertain tax positions that would require recognition in the financial statements. If the School were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties would be reported as income taxes. The School's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations and interpretations thereof as well as other factors. Generally, federal, state and local authorities may examine the School's tax returns for three years from the date of filing. Consequently, income tax returns for years prior to 2011 are no longer subject to examination by taxing authorities.
