Return Reference	Explanation
Part III, Line 4	The foundation owns the Pollock-krasner house and study center. The center operates as a museum and library. The extensive research collections developed at the center attract scholars, students and researchers from around the world. The United States department of the interior has designated it as a national historic landmark. The foundation also owns various books, photographs, journal collections, and fine arts used to further the mission of suny stony brook by nurturing academic instruction, research, library and public service.
Part IV, Line 2b	The foundation holds funds as a trustee/disbursing agent for auxiliary agencies of stony brook university, which amounted to \$38,977,041 as of June 30, 2015. Such amounts are included in cash and cash equivalents and other investments in the accompanying combined statements of financial position. The foundation charges fees to these agencies for administrative costs, based upon negotiated rates, which amounted to \$2,681,837 for fiscal year 2015, which is included in contracts and other support in the combined statements of activities.
Part V, Line 4	The Foundation's endowment is intended to subsidize its charitable mission of supporting Stony Brook University's educational programs. The Foundation leaves the endowment assets untouched, while using investment income therefrom to fund various charitable programs and initiatives.
Part X Line 2	The Foundation follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. The Foundation is exempt from federal income tax under IRC section 501(c)(3), though it is subject to tax on income unrelated to its exempt purpose, unless that income is otherwise excluded by the Code. The Foundation has processes presently in place to ensure the maintenance of its respective tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it was nexus, and to identify and evaluate other matters that may be considered tax positions. The tax years ending June 30, 2012, 2013, 2014, and 2015 are still open to audit for both federal and state purposes. The Foundation has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements.
