Part V, Line 4 - Intended Uses Of Endowment Fund

Temporarily restricted net assets represent expendable gifts and grants which are restricted by the donor or relate to future periods. The purpose of the temporarily restricted gifts are to fund research and support public information and patient services. In addition there are temporarily restricted assets because of time restrictions. The Parkinson's Disease Foundation has a permanently restricted fund of which the income is used to fund research.

Part XIII Supplemental Information (continued)**Part X - FIN 48 Footnote**

In June 2006, the FASB issued authoritative guidance regarding accounting for uncertainty in income taxes. This guidance clarifies the accounting for uncertainties in income taxes recognized in a company's financial statements and prescribes a recognition threshold and measurement approach for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. This guidance became effective for the Parkinson's Disease Foundation on July 1, 2010. The adoption of this guidance did not impact the Organization's financial statements.

U.S. GAAP requires management to evaluate uncertain tax positions taken by the Foundation. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Foundation, and has concluded that as of June 30, 2015, there are no uncertain positions taken or expected to be taken. The Foundation has recognized no interest or penalties related to uncertain tax positions. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2012.
