USITT is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, with the exception of net income derived from unrelated business activities. USITT sells advertising in their trade publications, which is subject to the tax on unrelated business income. However, since this unrelated activity generates a net loss, USITT has no tax liability to record for the years ended June 30, 2015 and 2014. Thus, the organization believes that it has appropriate support for any tax positions taken and as such, does not have any uncertain tax positions that are material to the financial statements.
