The University and its consolidated subsidiaries, except for Venture Fund I, LLC (Fund I), are not-for-profit organizations, and generally exempt from income taxes on related income under Section 501(c)(3) of the IRC but are subject to unrelated business income tax on activities not related to their exempt purposes. Fund I, a limited liability company of which RIT is the investor member, is classified as a disregarded entity for federal income tax purposes. The accounting for income taxes Topic of the FASB Accounting Standards Codification addresses the determination of whether certain tax positions result in benefits claimed or expected to be claimed on a tax return and whether they should be recorded in the Consolidated Financial Statements. For tax-exempt entities, tax positions include the entity's tax-exempt status and assumptions used to determine unrelated business taxable income. The University believes its tax positions meet the more-likely-than-not recognition threshold referenced in the Topic.
