P.6. Part VI, Section A, Line 11. 990 Review Process: The Executive Director and a Board officer, as available, have a meeting

with the external consultant to review the form 990 and its required attachments and schedules. During this meeting,

a review of all financial and narrative information is undertaken to make sure all reports and schedules

reflect the actual operating results of the agency for the most recently completed fiscal year. After this process,

The Executive Director provides a summary presentation of the 990 at the agency's next board meeting. The Executive

Director files the completed return with the Internal Revenue Service.

P.6. Part VI, Section B, Line 12C. Conflict of Interest Disclosure: The agency maintains a board resource manual with all

policies and procedures. Each Board Member has access to the manual and the orientation to fully explain the

roles and responsibilities of each member. The Executive Director and Board Executive committee work together

to ensure compliance with the conflict of interest policy. The agency's Executive committee works to ensure compliance

with Board Policies.

P.6. Part VI, Section B, Line 15. Compensation Review. The agency executive director and support staff work together to secure

non profit salary survey information from a variety of non profit sources. This information along with and other non profit

sector trend and comparable agency data is used to develop a salary range for executive, management and staff salaries.

This information, along with the agency's salary history form the basis for compensation arrangements and updates.

P.6. Part VI, Section C, Line 19. The agency complies with all required filings and disclosures in a timely manner.

The agency also makes available its public documents to any interested party, who makes a written request. These requests

are generally answered within ten business days of receipt. The agency does not publish its internal financial documents.

P. 12 Part X, Line 9 - Other changes in net assets or fund balances: (\$57,266): Net assets were reduced as of July 1, 2014 by the amount

of (\$57,266) due to an incorrect accounting of funds received in the prior-fiscal year. A foundation had provided funding for continued

operations and these funds were accounted as temporarily restricted as of June 30, 2014 and recorded as income. The organization has

learned that these funds were an advance for services to be provided in the next fiscal year and should have been recorded as a

liability in deferred revenue. The organization has made the correction in its financial records and it is noted here in the 2014 990.
