Return Reference	Explanation
Grantmaker's Description of How Grants are Used	In partnership with Montgomery County Government, MCAEL offers grant resources to support adult English literacy programs. The objective of MCAEL's grants program is to increase the availability of adult English literacy services offered to diverse populations, and to improve the quality of those services. All funding decisions are made by a diverse panel of knowledgeable community members with experience and expertise in local community needs, nonprofit management, adult ESOL and literacy, and government/nonprofit grant making. Each panelist is required to attend an in-depth orientation and to read and evaluate all proposals based on a set of explicit criteria published as part of the RFP. During the review and scoring process, a significant emphasis is placed on demonstrating measurable outcomes. The Review Panel meets in small groups with applicants to conduct interviews and later convenes as a whole to discuss each proposal and determine funding. Final recommendations are approved by non-provider members of MCAEL's Board of Directors. MCAEL has a strict conflict of interest and recusal policy of review panel members and Board members. Once grants are awarded, MCAEL issues letters of agreement to grantees that require them to comply with certain eligibility and reporting requirements. Formal and informal monitoring takes place through periodic site visits, workshops, and phone consultations with grantees. Grantees must also submit biannual qualitative and quantitative reports and provide detailed invoices that are signed to substantiate accuracy. At the end of the grant year, grantees must submit a Certification of Expenses, showing original budgeted items against actual expenditures. This accounting must be certified by the grantee as a true and correct report.
