Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	Preschool scholarships are made available to children whose families are above the Head Start and/or Shared Vision income guidelines but below the 185% poverty level. The income guidelines follow the most recent poverty levels. The applicant cannot receive preschool scholarship funds if the family meets Head Start or Shared Vision income guidelines but chooses not to go to Head Start or Shared Visions. The scholarships are on first come, first serve basis. When funding is exhausted, no more scholarships will be granted. Children must attend a preschool that participates in our predefined quality standards to receive a full scholarship. An application is completed to gather the appropriate information. Applicants must be Dubuque County residents or may qualify if they choose a qualifying Dubuque County preschool and if their current county's program does not cover this. If the child moves out of the area, the scholarship may end. The preschool must have full licensure from the Department of Human Services or the Department of Education. The full scholarship is the full cost the preschool would normally charge the parent. The preschool provider must submit a claim form and request for payment for services to the program facilitator for payment following the month services were provided. This is how the Organization ensures the funds are used appropriately.
Schedule I, Part III, (B)	The number of recipients is the actual number of children receiving a preschool scholarship.
