X 2	The Internal Revenue Service has ruled that the Foundation qualifies under Section 501c3 of the Internal Revenue Code and is therefore not subject to tax under present income tax law. The Foundation is also exempt from state income tax. The Foundation is required to operate in conformity with tax regulations to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Foundations qualified status.
X 2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. Management has analyzed the tax positions taken by the Foundation and has concluded that as of June 30, 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Foundation is no longer subject to income tax examinations.
