Pt VI, Line 11b

The Vice President for Finance prepares the 990, and the Chief Financial Officer does a detailed review before presenting the 990 to the executive committee of the Board. Once all Executive Committee member questions have been answered and any adjustments made, the 990 is distributed to all Board members in final form. After Board distribution, the 990 is filed with the IRS.

Pt VI, Line 12c

Conflict of interest policy disclosure statements are to be prepared at least annually. In the case where a possible conflict by an employee other than the CEO of the organization is identified, the CEO shall determine whether an actual or potential conflict of interest exists or can be reasonably construed to exist and how the conflict of interest should be resolved. When a conflict of interest is disclosed by a covered person other than a covered employee or by the CEO, the Chair shall disclose the conflict of interest to the Board of Directors or a designated committee. Then by majority vote of the disinterested Directors (even if the disinterested directors constitute less than a quorum) it will be decided whether an actual or potential conflict of interest exists or can be reasonably construed to exist. Proposals to the full Board of Directors as to how the conflict of interest should be resolved will then be provided.

Pt VI, Line 15a

The Board sets the CEO's compensation based on its evaluation of the CEO's performance. The Board takes into account market surveys and the organization's performance and financial position.

Pt VI, Line 15b

The CEO reviews the performance of, and sets the salaries for other officers (President and CFO). The Executive Committee of the Board of Directors reviews and approves all officer salaries. Other key employees' salaries are set and adjusted by their respective managers with review and approval of the CEO and President. All officers and key employees have annual reviews of their performance, and Ocean Conservancy periodically hires outside consultants to provide comparability data for all employees, and adjusts wages if deemed necessary.
