| Schedule H, Part I, Line 7 CHARITY CARE AND CERTAIN OTHER COMMUNITY BENEFITS AT COST | <p>Patient Services for Poor and Vulnerable Hospital and outpatient care is provided to patients that cannot pay for services, including hospitalizations, surgeries, prescription drugs, medical equipment and medical supplies. Patients with income less than 200% of the Federal Poverty level (FPL) are eligible for 100% charity care for services. Patients with incomes at or above 200% of the FPL, but not exceeding 400% of the FPL, receive discounted services based on an income-dependent sliding scale. Hospital financial counselors and health access workers assist patients in determining eligibility and in completing necessary documentation. St. Vincent Dunn Hospital is committed to 100% access, and is proactive in providing healthcare that leaves no one behind. Public Program Participation St. Vincent Dunn Hospital participates in government programs including Medicaid, SCHIP (Hoosier Healthwise), Healthy Indiana Plan (HIP), the Insurance Exchange and Medicare and assists patients in enrolling for programs for which they are eligible. Per Catholic Health Association guidelines and St. Vincent Health's conservative approach, Medicare shortfall is not included as community benefit. Community Health Needs Assessment True community benefit responds to the particular needs and challenges of the community, building on its unique strengths and assets. The hospital leads a community health needs assessment every 3 years. Using a variety of tools, including surveys, key person interviews, focus groups, secondary data, and data analysis professionals, the team identifies community issues and concerns. These are shared with the community at large, and a consensus is reached about priorities and available resources. To provide community input and a basis for collaboration within the community to address health needs, St. Vincent leads or participates in a community round table or forum. This group brings together individuals and organizations from throughout the community who share a common interest in improving health status and quality of life and provide expertise in a variety of community areas including public health. Tobacco use and obesity have been identified as key community needs. Community Health Education St. Vincent Dunn Hospital provides health education on a number of topics and issues facing the local community throughout the year. One such important topic is proper nutrition. Unhealthy eating is taking a toll on the residents of Indiana by contributing to the increasing rates of obesity, diabetes, heart disease and cancer. St. Vincent Dunn offers an instructional presentation at the farmers market focusing on the various fruits and vegetables offered. Topics discussed include the nutritional value and instructions for buying and preparing these foods. The registered dietitian assists the public on gaining a better understanding of healthier eating and promotes behaviors to make a positive change for a healthier lifestyle. Diabetes Education Diabetes is a major and growing health concern in Indiana. If uncontrolled, it can take a significant toll on an individual's health. St. Vincent Dunn sponsors a Diabetes Support Group held monthly, free of charge. A registered dietitian addresses problems surrounding living with and managing diabetes. The dietitian assists individuals living with diabetes in gaining a better understanding of their disease, teaching them how to adjust their lifestyles and behaviors to develop diabetes self-management skills that will help them live healthier, longer lives. Health Professions Clinical Training In an effort to prepare future health care professionals, St. Vincent Dunn Hospital, in collaboration with area schools, offers a variety of clinical settings and internships for undergraduate and vocational allied health professionals. In fiscal year 2015, the surgery department provided training to students from Harrison College and Ivy Tech College, and Med Tech College wherein the students learned and carried out the duties of a surgical tech, radiology and ultrasound. Healthy Trails and Tails Healthy Trails &amp; Tails is a partnership between St. Vincent Dunn, Bedford Parks Department, and White River Humane Society. The group offers monthly walks through local park trails. The Humane Society brings 3-4 dogs to be walked and community members can bring their own dog. The hospital provides a healthcare professional to talk with participants about healthcare topics while walking. LIFE (Lifetime Individual Fitness &amp; Eating) for Kids Program Obesity among children has become a national epidemic, particularly in Indiana where 1 out of 3 children and 2 out of 3 adults are overweight or obese. Life-threatening conditions such as type 2 diabetes, hypertension and heart disease, just to name a few, are also increasing among this population. LIFE for Kids is a year-long healthy lifestyle weight management program especially designed for children and adolescents. This program was designed to</p> |

| Schedule H, Part I, Line 7 Costing Methodology used to calculate financial assistance | The cost of providing charity care, means tested government programs, and community benefit programs is estimated using internal cost data, and is calculated in compliance with Catholic Health Association ("CHA") guidelines. The organization uses a cost accounting system that addresses all patient segments (for example, inpatient, outpatient, emergency room, private insurance, Medicaid, Medicare, uninsured, or self pay). The best available data was used to calculate the amounts reported in the table. For the information in the table, a cost-to-charge ratio was calculated and applied. |

| Schedule H, Part II Community Building Activities | Research shows that social determinants and quality of life play a major role in the health status of individuals and communities. Community building activities, which focus on improving the quality of life within a community, ultimately influence and improve health status. Kindergarten Countdown Starting school can be an anxious time for young children. It is important children start school with a positive experience so they can continue to thrive. That is why St. Vincent Dunn partnered with United Way to sponsor a Kindergarten Countdown Day Camp. The hospital donated backpacks to all the children participating and provided a volunteer to serve as a "classroom buddy" every day for 4 weeks. Building Cash and In-Kind Contributions The hospital makes cash and in-kind donations to a variety of community organizations focused on building the community. These take the form of cash donations to outside organizations, the donation of employee time/services to outside organizations and the representation of the hospital on community boards and committees working to improve infrastructure for the community. |

| Schedule H, Part III, Line 3 Bad Debt Expense Methodology | The provision for doubtful accounts is based upon management's assessment of expected net collections considering economic conditions, historical experience, trends in healthcare coverage, and other collection indicators. Periodically throughout the year, management assesses the adequacy of the allowance for doubtful accounts based upon historical write-off experience by payor category, including those amounts not covered by insurance. The results of this review are then used to make any modifications to the provision for doubtful accounts to establish an appropriate allowance for doubtful accounts. |

| Schedule H, Part VI, Line 2 Needs assessment | Communities are dynamic systems in which multiple factors interact to impact quality of life and health status. In addition to the formal CHNA conducted every 3 years, St. Vincent Dunn Hospital helps to lead a community round table called Lawrence County United Way Agencies Coalition whose purpose is to assess needs within the community, prioritize action and work in partnership to address identified challenges. The coalition works closely with its member organizations which come from multiple sectors of the community, including local government, business, education, faith communities, public health, health care providers and other social and human service organizations. In addition, the coalition works closely with other coalitions as well as the local and state health departments to stay abreast of changing needs within the community and to identify evidence-based and promising practices to address these needs. |
