Return Reference	Explanation
Schedule J, Part I, Question 7	Description of Non-Fixed Payments. There are two key components of the Executive Compensation Philosophy of JA Worldwide: 1. Reward for performance; 2. Provide reasonable and competitive pay packages with those offered to leaders of organizations comparable to JA Worldwide in terms of size, complexity, and mission impact. As part of the "reward for performance," the Executive Compensation Subcommittee (the Committee) of the Board of Governors has adopted the Management Incentive Compensation Plan (MIC). MIC is intended to stimulate and reward results and achievement necessary to accomplish the multiple objectives of JA Worldwide's strategic plan. The MIC Plan is designed to: a) Motivate growth in total revenue and program impact to enhance services to the community; b) Link accomplishment of the organization's mission and objectives with the compensation of the organization's managers; c) Control costs by providing variable compensation based on performance to enhance affordability and offering a competitive incentive and total cash compensation program; d) Enhance the focus, motivation, and retention of key organizational managers. In setting the annual incentive compensation opportunities for the MIC for each executive, the Committee targets the median of the comparable market data for that executive's position for target performance and the upper quartile of the comparable market data for that executive's position for superior performance. There is a cap on the amount of incentive that any executive can earn from the MIC. The Committee uses discretion in determining the level or achievement of certain performance measurements. The Committee also annually examines the comparable market data for these positions, following the three-step governance process described in the regulations to Section 4958 on Intermediate Sanctions to establish the presumption of reasonable compensation. The Governors may, in their sole discretion, and at any time, elect to amend, suspend, or terminate the Plan.
Schedule J, Part II, column C	Retirement and Other Deferred Compensation. Bonuses for 06/30/14 were not paid until February and May of 2015. Bonuses for 06/30/15 will not be paid until January 2016. Due to the timing of the bonus payments, the amounts in column C will include half of the bonus accruals made for fiscal years ended 06/30/14 and 06/30/15.

Form 990, Part VI, Section B, line 15a	<p>Describe process for reviewing compensation. The governance process for determining compensation for the Organization's CEO and other top management is modeled after the requirements in Internal Revenue Code Section 4958 to establish the presumption of reasonable compensation. Compensation was reviewed and approved by the Executive Compensation Subcommittee (the Committee) of the Board of Governors, which is comprised of independent persons. By engaging an independent compensation consultant, the Committee considered comparable market data from published surveys and Form 990 of comparable organizations in evaluating the compensation for each individual. The Committee conducted a review of this comparability data and documented its deliberation and discussion in minutes that are retained with the other governance materials of the Organization. The Committee followed the process to establish the presumption that compensation paid to the Organization's CEO and other top management for purposes of Section 4958 by relying on professional advice in the written opinion of reasonableness from the independent compensation consultant. This review process is conducted annually and was last done in 2014.</p>
