Return Reference	Explanation
Schedule D, Part V, Line 4 Intended uses of endowment funds	The Foundation's endowment includes both donor-restricted endowment funds and funds designated by the board of trustees as quasi-endowments. The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the long-term purchasing power of the endowment assets.
Schedule D, Part X, Line 2 FIN 48 (ASC 740) footnote	The Internal Revenue Service has determined that the Foundation is an exempt organization under Section 501(c)(3) of the Internal Revenue Code, except for taxes on unrelated income. Accordingly, no provision has been made for federal or state income taxes. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and to recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions taken by the Foundation and has concluded that as of June 30, 2015 and 2014, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the consolidated financial statements. The Foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes that it is no longer subject to income tax examinations for years prior to June 30, 2012.

Schedule G, Part I, Line 2b(vi) Amount paid to (or retained by) the organization	The Foundation is reviewing the annual giving program and considering ways to improve the rate of return
Schedule G, Part I, Line 2b Professional Fundraiser	The telemarketing services agreement between Ruffalocody, LLC and Ohio University provides for a twelve-month-a-year, on-campus telephone fundraising program. The program is designed to complete a certain amount of calls in an agreed upon rate per completed call. The agreement provides that Ruffalocody is responsible for office supplies, recruiting expenses, staff relocation, and travel expenses. During the 2015 fiscal year, Ohio University transitioned telemarketing vendors from RuffaloCODY to Wilson Bennett Technologies. This transition has created some additional initial expenses to the program as well as a slight performance lag during the transition. Revenue streams and cost factors. As indicated in schedule G, the telephone fundraising program generated \$456,542 in revenues during fiscal year 2015, at a cost of \$722,733. Other considerations. As part of the telephone fundraising program, thousands of calls and solicitations are completed each fiscal year. There is a distinct intangible value in connecting with alumni. In a study conducted by an independent group, the foundation established the following data and trend lines for Ohio University donors who eventually gave \$10,000: i) before making their \$10,000 gift, they first participated in 9 to 13 annual fund years, ii) they made a gift in 7 out of 10 fiscal years just prior to making their \$10,000 gift, iii) 61% of all donors who made a \$10,000 gift made a first gift of \$50 or less, iv) 38% of all donors who made a \$10,000 gift made a first gift of less than \$25.

Return Reference	Explanation
Schedule J, Part I, Line 3 Method for establishing compensation	The University's process for establishing compensation for President and CEO , Bryan Benchoff, included contracting with an executive search firm that provided a compensation analysis based on review of similarly-sized organizations and positions. In addition, CUPA HR data was reviewed for similar positions at other public universities in Ohio, in the Mid-American Conference, and in an aspirational peer group. Compensation was set at a level commensurate with those comparisons, taking into consideration Ohio University's size and complexity in comparison with the other institutions examined. In addition, the employment contract was reviewed and approved by University General Counsel. This process was last performed in July 2012. In April 2012, the University started a compensation project focusing on classified non-bargaining employees and administrative/professional employees on all campuses. As part of the project, the University agreed to review the compensation of each employee and develop an appropriate market-based compensation strategy. COMP 2014 also involved a review of current job descriptions and classifications and the development of a new pay plan. The outcome of COMP 2014 is the creation of a clear job framework that provides progression paths for classified non-bargaining and administrative employees. The job framework includes 28 job families and 124 sub-families within three career tracks. Each position within the scope of the project was assigned to a career track, job family and sub-family based upon the job documentation on file for the position. Positions were market-priced based upon the assignment of their sub-family and job level. Pay grades were assigned based upon a market analysis conducted by a consultant. The University now has one pay structure for all non-bargaining classified and administrative jobs. The OHIO Board of Trustees approved the pay structure at their October 17, 2014, meeting and the pay structure went into effect with the start of the first pay period in November 2014.
Schedule J, Part I, Line 1a Travel for companions	The Foundation provides for required travel for donor development and alumni fundraising activity for certain interested persons and their companions. When the travel for companions is considered personal in nature, the value of the travel is included in compensation to the interested person.
Schedule J, Part I, Line 1a Housing allowance or residence for personal use	The University provides a residence for Dr. Roderick J. McDavis, in his capacity as President of the University. This benefit is reported as taxable compensation.
