Part II-B, Line 1	In FY15, Heartland Alliance for Human Needs and Rights (HA) educated members of Congress via electronic communication including e-communication and conference call. When appropriate, HA held strategic in-person meetings with members of Congress and their staff and coordinated site visits between programs and in-district staff and members of Congress. HA's efforts largely focus on policy and systems change aimed at getting chronically unemployed Americans back to work. In FY 15, HA educated members of the Illinois General Assembly, administrative officials, and other decision-makers about programs and policies aimed at reducing poverty, including Medicaid, TANF, housing protections, wages and worker rights, retirement savings, and reentry. Additionally, HA educated legislators about the value of providing adequate funding for human services broadly and the consequences that recent cuts to human services and safety-net programs have had on those experiencing poverty.

Return Reference	Explanation
Part IV, Line 2b	The organization holds travel funds for immigrant minors and personal expenses for refugees
Part X, Line 2	The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Organization, and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. Management has determined that there are no uncertain tax positions during the reporting periods covered by these consolidated financial statements. The Organization's tax filings are generally no longer subject to examination by the Internal Revenue Service for tax years before 2012.

A copy of the policy for management is posted on the organization's intranet. Policy requires disclosure of any situation in which there may be even an appearance of potential conflict of interest. When appropriate, members of the Board of Directors, or senior management, recuse themselves from decision-making if there is any conflict of interest. Relative to board of committee actions, this is reflected in the meeting minutes. The policy is reviewed regularly by the Chief Corporate Compliance Officer of the organization. Additional monitoring is performed by the organization's executive team and the Risk Policy Committee of the Board of Directors.
