Return Reference	Explanation
Part V, Line 4	The Agency's Board designated endowment fund is managed to generate an average annual return on investments that allows for a percentage of the fund to be distributed annually to the operating fund for use in the programs and services of the Agency. Donor-restricted funds are utilized for the specific purpose designated by the donor.
Part X, Line 2	The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the consolidated financial statements. Under this guidance, the Agency may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Agency and various positions related to the potential sources of unrelated business taxable income. For the reporting periods presented in these consolidated financial statements there were no unrecognized tax benefits identified or recorded as liabilities. The Agency files forms 990 in the U.S. federal jurisdiction and the State of Illinois. The Agency is generally no longer subject to examination by the Internal Revenue Service for years before fiscal 2012.
