Explanation: Due to changes in responsibilities in the Controller's Office, Form 8868 "Application for Extension of Time To File an Exempt Organization Return" was overlooked and not filed by November 15, 2015. An extension was subsequently mailed on November 24, 2015 and received by the Internal Revenue Service on November 25, 2015. Extensions have always been filed by our organization on a timely basis in previous years and without incident. Extensions are necessary because we do not have final audited financial statements until the end of October. To ensure this situation does not happen in the future, we will document procedures for preparing the extension and identify the specific position in the department who has this responsibility. We will also use electronic calendar reminders.
