The organization procures unsellable, but edible, food from the food industry, receives direct donations of food, administers some government food programs TEFAP/USDA/Summer Food Programs, and purchases food from wholesalers. Food is sorted and packaged and delivered to more than 100 other non-profit agencies such as homeless shelters, food pantries, low income housing, and after school programs, who then distribute the food to people in need throughout Washtenaw County. In the last fiscal year, we distributed over 6 million pounds of food, more than two-thirds of which was produce and protein items. Additionally, 351,236 was distributed to partner agencies in the form of credits for food purchasing and 44,750 in cash grants were awarded to partner agencies for capacity building activities.

(Code) (Expenses \$ 453,093 including grants of \$) (Revenue \$)

Food Gatherers operates a Community Kitchen, which is located in the Robert J Delonis Center, home of the Shelter Association of Washtenaw County. Volunteers transform rescued and bulk food into useful food resources, and prepare and serve 19 meals per week to those in need.

By targeting young adults who are often recipients of food assistance, the hope is to help them secure gainful employment in the food industry. The training curriculum reflects the skills and experience that local food service employers are seeking. Food Gatherers also offers paid internships at the warehouse or the kitchen to graduates. As of September 2015, 159 students have graduated from the program.

Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I Line 2	For amounts distributed to partner agencies in the form of cash grants for food purchasing, credits are given for verified food purchases. Food Gatherers also offered high-capacity programs the option of converting up to 50 of their credits to cash. Four of the nine agencies opted to take this opportunity. Amounts are distributed on a quarterly basis, and most programs are planning to use the funds to purchase new equipment i.e. larger freezers or refrigerators or to pay agency staff to work extended hours to better serve clients who work during regular business hours. For stipends and internships to individuals, students are paid by the hour, which is intended to cover an equivalent of basic living expenses for them. This year, the amount was based on minimum wage. Hours are monitored and reported by the instructors of the job training program. The job training program is intended to emulate employment, so that is why the stipend and internship amounts are based on hours. The organization did not want participation to be a financial burden on the students, which is why they chose to pay them.
