SCHEDULE H, PART V, LINE 11	The Community Health Improvement Plan process identified 6 areas of needed health improvement for Saginaw and surrounding areas. They are as follows: Infant Mortality, Chronic Disease, Obesity, Behavioral Health, Emerging Models of Health Services Delivery, and Health & Social Equity. Covenants implementation plan addresses all six priority areas in varying degrees based on the availability of community resources, the partnerships in place and the resources Covenant can direct to each of these areas. The ACA requires hospitals to identify which needs, if any, they are not addressing in their current Implementation Plan and why. Covenant is involved in addressing all six action areas to varying degrees however it recognizes that it is not, and should not, be the leader in all areas but that working with appropriate partners it can optimize the use of resources by avoiding duplication and finding the most effective strategies available. In the last action area, Covenant HealthCare plays more of a supportive role to other community partners who are focused on behavioral health. SCHEDULE H, PART V, LINES 16A & 16B THE FINANCIAL ASSISTANCE POLICY AND FAP APPLICATION CAN BE FOUND AT THE FOLLOWING URL: http //www covenanthealthcare com/main/financialassistancepolicy.aspx
SCHEDULE H, PART V, LINE 22D	The hospital facility used the Medicare rates when calculating the maximum amounts that can be charged. While Medicare rates were used in the calculation, the amounts charged were at Medicare rates plus a percentage, to be consistent with the SOM Medicaid expansion policy. The maximum payment overall is based on Medicare plus a percentage, this is calculated on a facility basis not a per claim basis. We are confident that the vast majority, if not all accounts fall within the Medicare rates. Having said this, the amounts charged for emergency and necessary medical services to patients who are eligible for Financial Assistance under this Policy will not be more than the amount generally billed to individuals with insurance covering the same care.
