Schedule C Part II-B Line 1i	Wheaton Franciscan Healthcare and Franciscan Ministries are part of a controlled group of healthcare and housing organizations that are related through a common parent organization. Certain entities within this controlled group engage in limited lobbying activities that benefit each organization collectively. Wheaton Franciscan Healthcare employs two individuals whose responsibilities include the oversight and management of lobbying activities for the organization - the Senior Vice President of Strategic Initiatives and the Director of Government Relations and Advocacy. The Senior Vice President provides strategic oversight for the department and participates in visits with key elected officials when appropriate. The Director provides on the ground support, serves as the first point of contact for elected officials and executes on legislative lobbying activities that support the strategic interests of the organization. These lobbying activities approximate 50% of total annual salary for the Director and less than 20% for the Senior Vice President. A benefits factor of 25% is added, and the total is allocated amongst the organizations receiving the benefit of these services. The lobbying activities include advocacy efforts related to public policy proposals such as changes to Medicare and Medicaid funding, federal or state legislation that may impact the organization, participating in and coordinating visits with elected officials at all levels of government (local, state and federal), mobilizing grassroots efforts on behalf of the organization on issues of interest, coordinating advocacy activities in conjunction with relevant trade associations, and providing internal awareness on specific state related legislative issues when the need arises. The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been added or estimated, as appropriate. Wheaton Franciscan, Inc. #39-0816857 \$18,331

990 Schedule F, Supplemental Information

Return Reference	Explanation
Form 990 Schedule F Part 1 Line 2	Wheaton Franciscan Healthcare and Franciscan Ministries maintain files and records to manage the decision-making and assistance process for organizations that it provides community sponsorship dollars or in-kind donations to. Decisions are made by a Community Sponsorship Committee with leaders who hold positions in Diversity, Strategic Planning, Mission Services, Marketing and Philanthropy. The Committee generally strives to sponsor organizations that have missions that align with the mission, vision and values of the organization, with a special focus on world disaster relief and human assistance, in particular as it relates to our healthcare and housing ministries. The committee also looks for certain other criteria when deciding which organizations will receive contributions, including but not limited to supporting healthcare, housing, or other humanitarian needs worldwide, furthering diversity and cultural competency, aligning with other WFH business relationships or service lines, supporting student academic achievement or workforce development initiatives, and finally, supporting environmental "green" initiatives. Leaders periodically meet with representatives of sponsored organizations to discuss objectives including how dollars will be spent. Additionally, Wheaton Franciscan Healthcare may, at a later date, ask for documentation in order to monitor that funds were spent for their intended purpose. Currently, confirmation letters are sent to sponsored organizations when award dollars or in-kind donations are given, that confirm the dollar amount (or approximate fair market value) awarded and the intended purpose, with a request that the recipient acknowledge receipt of the funds in written correspondence. Files are maintained in the Organizational Change and Leadership Performance Department to include copies of letters of request, award and denial letters, additional documentation if requested, and acknowledgement receipts from sponsored organizations.
