Schedule H, Part II Community Building Activities	<p>During 2014, OHOW made a number of contributions to organizations that encourage youth fitness and overall health education. Beginning in 2014, OHOW also sponsored and organized a 5K Run/2 Mile walk to benefit the Glendale Police Department. Further, in order to accomplish the collaborative work in the community and to oversee access clinics and outreach programs, CSM has a Community Services Department which oversees the CSM Community Benefit Process. CSM, Inc. participates in Community Building activities through programs such as INROADS, which is an opportunity for culturally diverse college students to serve an internship over summer break to familiarize themselves with the challenges and opportunities in health care and gain real world experience. INROADS is reflected in the Community Building section of the report. CSM is a founding member of the Milwaukee Health Care Partnership (MHCP), which is a collaboration between the five Milwaukee health systems and Federally Qualified Health Centers to improve access to health care in the community. The partnership has worked with County health officials to improve behavioral access and Partnership funding supports mental health respite beds in the community. CSM's CEO and VP of Mission Services each spend significant time in MHCP collaborative work. Access to health education and screening in many areas of the city is best accomplished through church collaboration. CSM employs nurses to work in collaboration with churches and community organizations to offer health education, health screening, and care management support to parishioners and community members in a variety of outreach programs affiliated with churches. CSM developed the beginning stages of a collaboration with 44 Church of God in Christ churches in Milwaukee to accomplish better health awareness and improve screening rates.</p>

Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	Bad debt is calculated from the audited financial statements using an average cost to charge ration The same ratio is used to calculate all of the expenses at cost within Schedule H

Form and Line Reference	Explanation
Schedule H, Part III, Line 3 Bad Debt Expense Methodology	OHOW and CSM have a very robust financial assistance program, however, when comparing OHOW's percentage of charity care to its total expenses against the poverty levels in the greater Milwaukee community that OHOW serves, OHOW and CSM estimates that approximately 2% of its total bad debt expense relates to patients who might otherwise qualify for financial assistance under its policies but choose not to apply

Form and Line Reference	Explanation
Schedule H, Part III, Line 4 Bad debt expense - financial statement footnote	O HOW, which files financial statements separate from CSM, includes the following footnote related to accounts receivables "The majority of the Hospital's accounts receivables are due from third party payors under reimbursement agreements and from patients for services provided Accounts receivable are due upon receipt of invoice Receivables are stated net of any allowance for contractual discounts and uncollectible accounts by considering the number of days past due, collection history, and the general economy and industry as a whole Contractual adjustments are based on expected payment rates in accordance with third-party payor agreements The Hospital writes off accounts receivable when they are determined to be uncollectible Payments subsequently received are credited to the allowance for doubtful accounts "

Form and Line Reference	Explanation
Schedule H, Part III, Line 8 Community benefit & methodology for determining medicare costs	O HOW follows the Catholic Health Association ("CHA") guidelines for determining community benefit CHA community benefit reporting guidelines suggest that Medicare shortfall is not treated as community benefit

Form and Line Reference	Explanation
Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	O HOW has a written debt collection policy that also includes a provision on the collection practices to be followed for patients who are known to qualify for charity care or financial assistance. If a patient qualifies for charity or financial assistance certain collection practices do not apply.

Schedule H, Part VI, Line 2 Needs assessment	<p>Columbia St Mary's, Inc serves the Milwaukee and Ozaukee communities through a Community Benefit Process overseen by the Milwaukee Community Benefit Committee and the Ozaukee Community Benefit Committee. The process of understanding community needs through a Community Health Needs Assessment and interpreted through the work of Community Benefit Committees to lead to a Community Benefit Plan for Milwaukee and Ozaukee communities is consistent across the organization. Although the Community Benefit Plan occurs primarily in the Milwaukee, Ozaukee and Sacred Heart Rehabilitation Institute settings, the work is also supported by departments behind the scenes across CSM, including accounting, human resources, purchasing, legal counsel and other administrative functions. Programs such as the Orthopaedic Hospital of Wisconsin have also contributed to support of Community Benefit programming. Community Benefit Committees at CSM have consistent roles to support the Community Benefit functions. The roles include the following - Develop Community Health Needs Assessment (CHNA) to determine community needs - Review CHNA and create Community Benefit Plan to address needs - Incorporate Community Benefit Plan goals in the CSM Integrated Strategic, Operational and Financial Plan (ISOFP) for Board level approval and submission to Ascension Health System - Develop a strategy to measure and increase the impact of Community Benefit Plan elements. The Community Health Needs Assessments are specific to the demographics and health issues to the community. The Needs Assessments completed in FY13 involved the gathering of secondary information about the communities from varied public sources including state data, and county data. The most remarkable needs for the service were addressed through Community Benefit Plans for each community.</p>

Schedule H, Part VI, Line 3 Patient education of eligibility for assistance	CSM attempts to identify patients who may be eligible for charity or discounted care as outlined in the charity care policy during the pre-registration, registration, admissions and discharge processes. A copy of the charity care policy is posted in the emergency room, and a summary of the policy is provided to patients with admission and discharge paperwork. CSM has trained financial counselors available to discuss payment options to the patients. Upon making an appointment, the financial counselors will meet with the patient to determine what other financial assistance programs the patient may qualify for.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 4 Community information	CSM primarily serves the Milwaukee and Ozaukee counties in southeastern Wisconsin. OHOW is located in an urban community within Milwaukee County. The population of Milwaukee County is approximately 953,000, with over 20% of the households living at or below federal poverty guidelines. The median income is approximately \$43,000, over 46% of the population is a minority, and approximately 16% of the population speak a language other than English. Discounts for the uninsured and underinsured are not included in Parts I or II of Schedule H.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 5 Promotion of community health	A hallmark of CSM, Inc. is the ability to proactively meet health needs through preventive programs and programs to allow access to primary and specialty care. The programs are most often delivered through partnership with other non-profit organizations in health and social services. Each hospital has access improvement programs including St. Ben's Clinic for the Homeless, Seton Dental Clinic, Community Chronic Disease Management Clinic, Huiras Family Community Health Center, El Centro de Salude Clinic sponsored by the Columbia College of Nursing, the CSM OB/Clinic and the CSM Family Health Center. A particularly strong partner in these activities has been the Medical College of Wisconsin in sponsorship of programs. - The Family Health Center, a residency-based Family Medicine clinic that provides primary care to more than 9,000 individuals in the community. - The OB/GYN Clinic, a residency-based program that serves over 150 patients, 250 OB appointments per month, and 325 deliveries per year. - The Chronic Disease Management Clinic, which screens and manages hypertension, diabetes, obesity, and smoking for low income adults through a clinic based in a food pantry. In turn, CSM across the hospital settings hosts residents for their training growth and development. All of these services are reported as part of the Community Benefit expenses in Section H of the appropriate hospital report.

Form and Line Reference	Explanation
Schedule H, Part VI, Line 6 Affiliated health care system	<p>The CSM health system focuses on contributing to the positive health status of the communities it serves. CSM is an organization comprised of three hospitals, 61 community clinics, The Columbia College of Nursing, a partnership with the Orthopaedic Hospital of Wisconsin, a partnership with Sleep Services of Wisconsin, and four Urgent Care Centers. CSM provides care for individuals and families throughout Milwaukee, Ozaukee, Washington, and Sheboygan counties - with more than 160 years of service to individuals and families in these communities. OHOW itself is a specialty hospital which performs more than 5,000 surgical procedures each year and offers the complete range of orthopaedic services, including joint replacements and spine procedures, rehabilitation, diagnostic testing and pain management services. As a member of Ascension Health, the nation's largest Catholic healthcare system, CSM continues to build and strengthen sustainable collaborative efforts that benefit the health of individuals, families, and society as a whole. The goal of CSM is to perpetuate the health mission of the church. CSM furthers this goal through delivery of patient services, care to the elderly and indigent, patient education and health awareness programs for the community, and medical research. Our concern for all human life and dignity of each person leads the organization to provide medical services to all people in the community without regard to the patient's race, creed, national origin, economic status, or ability to pay. CSM employs a Community Benefit Philosophy in program planning and implementation. CSM provides for the health of the community through financial support provided to patients by financial discounts and contracts, by developing clinics and services for specific vulnerable groups, by sponsoring community education and training and by collaborating with government programs. During fiscal 2015, the CSM system provided \$61,669,246 in unreimbursed services, including \$6,718,041 in traditional charity care, \$6,185,433 in discounts to the uninsured, \$13,866,992 in community benefit programs, and \$34,898,780 in other unpaid public programs, including subsidized health care, professional education, financial contributions and community building activities. In addition, the organization's governing body is comprised of local community leaders and physicians, the majority of whom reside within the communities CSM serves and are neither employees nor contractors of the organization, nor family members thereof. The hospital extends medical staff privileges to all qualified physicians in its community, however, the clinics within the organization are served by physicians affiliated with CSM.</p>
