PART I, LINE 1 & PART III, LINE 1	AchieveMpls is the strategic nonprofit partner of the Minneapolis Public Schools (MPS). Our mission is to mobilize a wide web of community support and resources to ensure academic achievement, equitable opportunities, and career and college readiness for all students. Over the last decade we have placed more than 7,000 low-income youth in paid summer jobs, significantly increased the college-going rate for MPS students, engaged over 1,000 businesses and nonprofits to support public education in our city, and enlisted hundreds of community members as volunteers with students. While MPS focuses on preparing students academically, we are creating a comprehensive system of programs and partnerships to offer students the non-academic skills, resources, and experiences they need to succeed in the 21st Century workplace. The programs in our Career and College Initiative make a long-term impact on students' lives by showing them the tangible connections between academic effort and future success. Failure to see this connection is the number one reason high school dropouts cite for leaving school.

Return Reference	Explanation
PART III, LINE 4A	<p>Minneapolis Public Schools Since its founding in 2002, AchieveMpls has been charged with raising money and mobilizing public support for the strategic priorities of the MPS superintendent In recent years we have helped raise millions of dollars for early literacy and STEM education, the Advancement via Individual Determination program (AVID), kindergarten and college readiness, leadership and human capital development, innovation and accountability, and MPS Arts AchieveMpls also supports MPS by administering over 130 funds for individual MPS schools, departments, college scholarship awards, and competitive grant programs for MPS staff and classrooms Highlights of our support for MPS in 2014-15 include - AchieveMpls administered 81 college scholarship awards worth over \$110,000 for MPS students - Six MPS teachers and other licensed staff received over \$17,000 in professional development grants administered by AchieveMpls - Through the support of the Community Learning Fund, community members and AchieveMpls discretionary funds, more than 1,600 MPS students participated in 28 field trips to the Landscape Arboretum, Fort Snelling, the Humane Society, Penumbra Theater and other destinations - In May, 27 local corporate, government, and nonprofit leaders participated in Principal Partner Day, shadowing MPS principals, building relationships with MPS schools and learning about daily life in the district</p>

Return Reference	Explanation
PART III, LINE 4B	<p>Career and College Centers (CCCs) AchieveMpls Career & College Centers (CCCs) are drop-in centers open to every student, every day, in all seven of MPS' comprehensive high schools and two specialty high schools. They offer one-on-one guidance on seeking post-secondary academic, financial aid, and career opportunities. CCC coordinators, as AchieveMpls employees and members of the school counseling team, host financial aid workshops for students and parents, organize college visits and career fairs, and bring hundreds of business and community leaders into the schools to engage with students. Coordinators make students aware of CCC services through classroom presentations and also use attendance data to seek out students who are not using the CCCs and have significant barriers to post-secondary success. Our work helps ensure that students graduate from high school having achieved critical milestones for future success. For the vast majority of students, this will mean taking the ACT, completing the FAFSA, securing financial aid, and applying for college. For other students, this can mean applying for an internship or a full-time job, or serving in the military.</p> <p>In the 2014-2015 academic year - Coordinators track individual students who access the CCCs by having them "scan in" as they enter. This allows us to identify and proactively engage underserved demographics - 2,561 individual students made 8,330 visits to AchieveMpls Career & College Centers. That means CCC coordinators met one-on-one with more than a quarter of all students enrolled in MPS high schools at any time during that year - 7 in 10 seniors visited a CCC at least once. More importantly, seniors comprised 76% of students who visited 4 or more times - African American students made up 44% of high-frequency users, though they only made up 35% of the MPS population - Low-income students - those students qualifying for free or reduced price lunch - are strong users of CCC services. This year, two out of three students accessing a CCC for one-on-one guidance were low income - During the 2013-2014 school year, male students made up just 35% of high frequency users. However, after a deliberate effort on the part of coordinators this past year to encourage young men to use the CCCs, the percentage of high frequency male users increased to 40%. CCC coordinators track several key indicators about post-secondary planning and personally follow up with every senior to ensure they have a plan. In the 2014-2015 academic year - 97% of graduating seniors applied to college or reported having a plan for after high school. This resulted in 114 more applications than in 2014 (1317 vs 1203) - 69% of seniors reported completing a FAFSA application for federal student aid, and an additional 2% completed a Minnesota Dream ACT financial aid application for undocumented immigrants. Completing the FAFSA or other financial aid documentation is a critical first step in attending college after high school, especially for low-income students.</p>

We ended our management of this program in June 2015 and passed on responsibility to our partner organizations.</p> <p>Public Education Events AchieveMpls hosts several public events throughout the year to build community knowledge and support of issues facing public education and our young people. These include EDTalks, a lively series of networking events for young professionals, the annual Education Partners Luncheon, which gathers over 600 community leaders who are committed to strong public education, Achieve101 events in our Career & College Centers, and Principal Partner Day, which matches community leaders with principals for a half-day shadowing experience. This past year, nearly 200 community members came to an EDTalk event, half of whom were first-time attendees, and four in five reported that they felt more informed about public education as a result of attending.</p> <p>Workshops 63 volunteers from seven of our top partner organizations-including Deloitte, PwC, Junior League, TCF and Wells Fargo-offered 11 multi-week workshops to more than 100 MPS high school students in subjects ranging from career readiness and financial literacy to transitioning to college. 62% of participating students demonstrated increased knowledge in the workshop subject areas following these sessions.</p> <p>MPS Alumni Outreach The Minneapolis Alumni Connection (MAC) created the new CollegeCrewMpls.org blog, featuring writing by new MPS graduates about their college experiences and designed to provide information and insights for college-bound high school students. MAC also hosted morning coffee hour and happy hour networking events designed to help MPS alumni to reconnect.
