Schedule C Disclosures	Schedule C Part II-B Line 1i Wheaton Franciscan Healthcare and Franciscan Ministries are part of a controlled group of healthcare and housing organizations that are related through a common parent organization. Certain entities within this controlled group engage in limited lobbying activities that benefit each organization collectively. Wheaton Franciscan Healthcare employs two individuals whose responsibilities include the oversight and management of lobbying activities for the organization - the Senior Vice President of Strategic Initiatives and the Director of Government Relations and Advocacy. The Senior Vice President provides strategic oversight for the department and participates in visits with key elected officials when appropriate. The Director provides on the ground support, serves as the first point of contact for elected officials and executes on legislative lobbying activities that support the strategic interests of the organization. These lobbying activities approximate 50% of total annual salary for the Director and less than 20% for the Senior Vice President. A benefits factor of 25% is added, and the total is allocated amongst the organizations receiving the benefit of these services. The lobbying activities include advocacy efforts related to public policy proposals such as changes to Medicare and Medicaid funding, federal or state legislation that may impact the organization, participating in and coordinating visits with elected officials at all levels of government (local, state and federal), mobilizing grassroots efforts on behalf of the organization on issues of interest, coordinating advocacy activities in conjunction with relevant trade associations, and providing internal awareness on specific state related legislative issues when the need arises. The portion of direct expenses related to annual employee business travel to Washington DC or other locations, in order to lobby for issues important to healthcare providers and patients, have been included if applicable. Finally, any trade association dues containing a percentage portion allocable to lobbying activities, has been added or estimated, as appropriate.
