Return Reference	Explanation
Part IV, Line 2b	Resident trust funds are held on behalf of the residents
Part V, Line 4	The Organization's endowment consists of various individual funds established for a variety of purposes. Its endowment represents donor-restricted endowment funds. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.
Part X, Line 2	The Organization is organized as a South Dakota nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). Certain consolidated subsidiaries, including Valley Health Services, are not tax-exempt entities and are considered partnerships or disregarded entities for tax purposes. The Organization is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Organization is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Organization files an Exempt Organization Business Income Tax Return (Form 990T) with the IRS to report its unrelated business taxable income. The Organization believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the consolidated financial statements. The Organization would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. The Organization's federal Form 990T filings are no longer subject to federal tax examinations by tax authorities for years before 2012.

Form and Line Reference	Explanation
Part I, Line 3c	A combination of income and assets test is utilized to determine eligibility for free or discounted care Points are assigned based on income as a percentage of FPG and net assets owned with points deducted for ongoing medical expenses such as drugs Patients with the fewest points receive the largest discount 0-1 points receive 100% discount on bills while remaining discounts range from 10-90% depending on point totals and dollar amount of charges

Form and Line Reference	Explanation
Part I, Line 6a	Our community benefit report is contained in a report prepared by Avera Health, a related organization. It is available through the website and requested mailing, and is filed with the Catholic Health Association.

Form and Line Reference	Explanation
Part I, Line 7	Charity care, unreimbursed Medicaid, and other means-tested government programs were converted to cost using the cost-to-charge ratio based on the Medicare Cost Report from the prior year Unreimbursed Medicaid uses a cost-to-charge ratio that includes other activities beyond hospital inpatient The amounts on lines 7e-i represent expenses reported in the general ledger and compiled using CBISA software

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	Bad debt expense of \$4,140,342 is included on Form 990, Part IX, Line 25, Column (A) but excluded for purposes of calculating this percentage

Form and Line Reference	Explanation
Part II, Community Building Activities	The participation in the Yankton Area Progressive Growth YES campaign strengthens the community's capacity to promote health and well-being of its residents by offering the resources and expertise of the hospital

Form and Line Reference	Explanation
Part III, Line 4	Note 1 on page 8 of the financial statements describes bad debt expense

Form and Line Reference	Explanation
Part III, Line 8	Part III, Lines 5, 6, and 7 The Medicare revenues received (line 5), allowable costs (line 6), and the resulting shortfall (line 7) does not include a significant portion of the organization's expenses These lines require use of the Medicare Cost Report as prepared by the required guidelines which disallows numerous costs of hospitals, particularly if they are part of an integrated system such as Sacred Heart Health Services In these cases the entity must file a home office cost report which "steps down" overhead to non-cost report entities disproportionately to actual allowable share and essentially removing the costs from the hospital's cost report entirely Examples of non-cost report entities operated by Sacred Heart Health Services include clinics, a home medical equipment store, long-term care facilities, and other health care related businesses There are also costs completely disallowed by cost report rules such as bad debt expense, marketing, CRNA's, and interest expense In addition to these disallowed costs within the Hospital, Sacred Heart Health Services operates clinics, a home medical equipment store, long-term care facilities, and other health care related businesses which do not file a cost report Medicare allowable costs of care are based on the Medicare cost report The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services Sacred Heart Health Services follows the CHA guidelines in reporting community benefits and therefore any Medicare shortfall is excluded from our community benefit report However, Medicare is the organization's largest payer and patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services This basis therefore means providing Medicare services promotes access to healthcare services which is a key advantage for our community

Form and Line Reference	Explanation
Part III, Line 9b	If the patient qualifies for the Organization's financial assistance policy for low-income, uninsured patients and is cooperating with the Organization with regard to efforts to settle an outstanding bill within a reasonable time period, the Organization or its agent shall not send, nor indicate that it will send, the unpaid bill to any outside collection agency. At such time as the Organization sends the uncollected account to an outside collection agency, the amount referred to the agency shall reflect the reduced-payment level for which the patient was eligible under the Organization's financial assistance policy for low-income uninsured patients. Sacred Heart Health Services does not report any data to any of the credit agencies, however, the collection agencies Sacred Heart Health Services utilizes may report to the credit agencies. Any extended payment plans offered by the Hospital, or the Hospital's representative, in settling the outstanding bills of patients who qualify for financial assistance shall be interest-free so long as the repayment schedule is met.
