Return Reference	Explanation
Part IV, Line 1b	Funds are held on behalf of the residents
Part V, Line 4	The Organization's endowment consists of a portion of their interest in the net assets of Avera Health Foundation. The Avera Health Foundation includes endowment funds which have been established for a variety of purposes. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments (if any), are classified and reported based on the existence or absence of donor-imposed restrictions. The organization's permanently restricted endowment funds are donor restricted. The organization currently does not have any board designated endowment funds.
Part X, Line 2	The Center is organized as a (South Dakota) nonprofit corporation and has been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). The Center is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Center is subject to income tax on net income that is derived from business activities that are unrelated to its exempt purpose. The Center has determined it is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990T) with the IRS. The Center believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statements. The Center would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred.

Form and Line Reference	Explanation
Part I, Line 3c	A combination of income and assets test is utilized to determine eligibility for free or discounted care. Points are assigned based on income as a percentage of FPG and net assets owned with points deducted for ongoing medical expenses such as drugs. Patients with the fewest points receive the largest discount. 0-1 points receive 100% discount on bills while remaining discounts range from 10-90% depending on point totals and dollar amount of charges.

Form and Line Reference	Explanation
Part I, Line 6a	Our community benefit report is contained in a report prepared by Avera Health, a related organization. It is available through the website and requested mailing, and is filed with the Catholic Health Association.

Form and Line Reference	Explanation
Part I, Line 7	Charity care expense, line 7a, was converted to cost based on an overall cost-to-charge ratio addressing all patient segments. Community health improvement services, line 7e, health professions education, line 7f, and cash and in-kind contributions, line 7i are reported based on actual expenses recorded in the Organization's general ledger. The cost for subsidized health services, line 7g, was determined using the Medicare Cost Report.

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	The amount of bad debt expense removed from total expenses to determine the percentage was \$ 224,347

Form and Line Reference	Explanation
Part II, Community Building Activities	Avera St Benedict Health Center (ASBHC) operates a community daycare providing a safe environment for the children and it operates at a loss. Lower income families are provided a safe and affordable place for their children. While not all the families are lower income, the organization sees this as a community need as there is no other facility in the area and the community as a whole would struggle to find daycare for their children. Despite operating at a loss, the Board of Directors is committed to providing the service to the community. ASBHC provides transportation to the residents of Avera Bormann Manor. The transportation includes physician visits and getting medication and supplies. Without this service these individuals would be at risk of not getting to their appointments or obtaining the supplies they need. Employees of ASBHC serve a food pantry called the Love Feast in Mitchell, SD. This group of employees works an evening meal for those in need. Proper nutrition for these individuals is essential for health and without this service many would go hungry or not get a balanced meal, in turn affecting their health and wellness.

Form and Line Reference	Explanation
Part III, Line 2	Bad debt expense is reported net of discounts and contractual allowances. A payment on an account previously written off reduces bad debt expense in the current year. Bad debt expense on line 2 is reported at charges as presented on the financial statements.

Form and Line Reference	Explanation
Part III, Line 3	The Organization did not estimate the amount of bad debt expense attributable to patients eligible under the Organization's charity care policy as the Organization works hard at encouraging people to apply and makes adjustments to bad debt expense based on recommendations of the collection agency or reviews of bad debt for those who qualify under charity care

Form and Line Reference	Explanation
Part III, Line 4	The footnote in the Organization's financial statements describing bad debt expense can be found on page 7 and 8 of the attached audited financial statements

Form and Line Reference	Explanation
Part III, Line 8	Any Medicare shortfall for St Benedict Hospital is excluded from the community benefit report. Patients with Medicare coverage are accepted regardless of whether or not a surplus or deficit is realized from providing the services. This basis means providing Medicare services promotes access to healthcare services which is a key advantage for our community and therefore any shortfall is considered a community benefit. Total revenue received from Medicare and the Medicare allowable costs are reported from the Medicare Cost Report. The Medicare Cost Report is completed based on the rules and regulations set forth by Centers for Medicare and Medicaid Services.

Form and Line Reference	Explanation
Part III, Line 9b	If the patient qualifies for the Organization's financial assistance policy for low-income, uninsured patients and is cooperating with the Organization with regard to efforts to settle an outstanding bill within a reasonable time period, the Organization or its agent shall not send, nor indicate that it will send, the unpaid bill to any outside collection agency. At such time as the Organization sends the uncollected account to an outside collection agency, the amount referred to the agency shall reflect the reduced-payment level for which the patient was eligible under the Organization's financial assistance policy for low-income, uninsured patients. Avera does not report any data to any of the credit agencies, however, the collection agencies Avera utilizes may report to the credit agencies. Any extended payment plans offered by St. Benedict Health Center, or the Health Center's representative, in settling the outstanding bills of patients who qualify for financial assistance shall be interest-free so long as the repayment schedule is met.

Form and Line Reference	Explanation
Part VI, Line 2	Community needs are evaluated and assessed on an on-going basis in several ways ASBHC has completed formal "needs assessments" several times over the course of the past several years This has been accomplished with input from focus groups, surveys, short and long range planning by the Health Center Board, demographic and health care data analysis, regular meetings with the provider staff, and collaboration with the local school and churches, as well as local law enforcement

Form and Line Reference	Explanation
Part VI, Line 3	Patients are informed of the financial assistance/charity care policy through brochures at the registration desks of the Hospital and Clinics. ASBHC has staff in Central Registration that identify if a patient is able to pay for services through insurance or otherwise. If they identify on the front end that the patient needs assistance, the patient is connected to a representative in Patient Financial Services who can assist with determining what benefits the patient may qualify for and help them apply for any benefits. If there is no option for an outside assistance program, the patient is informed and encouraged to complete the application that utilizes a combination of income, assets, and expenses to determine what percentage of charity care they would qualify for. Avera St. Benedict also personally contacted several hundred individuals without health insurance to give them information on health care open enrollment, refer them to resources or services that are free or low cost, and provided general education on health insurance options.

Form and Line Reference	Explanation

Form and Line Reference	Explanation
Part VI, Line 5	<p>The Organization's governing body is comprised of volunteer members who reside in the community. The Board of Directors meets monthly and has community representation that brings forward issues relative to challenges, needs and services within the community. The local ministerial group meets monthly at the Hospital and also identifies needs and gaps within the parishioners they serve. Medical staff privileges are extended to all qualified physicians in the community. The medical staff, including the physicians/mid-levels/departement directors, have the opportunity to meet monthly and also discuss ways to meet the needs of the community they serve. Surplus funds are reinvested in facilities to improve patient care. The Hospital operates an emergency room that is available to all, regardless of ability to pay. ASBHC has a fitness center on campus that is available to help the community focus on wellness and prevention. This endeavor is subsidized by the facility to improve the health and well being of the community as a whole. The chaplaincy mission services participates and spearheads many community projects including an angel tree at Christmas to address the needs of children in our service area. ASBHC also donates to the local food pantry and purchases, prepares, and serves a meal to the Love Feast in Mitchell, SD annually. The meal services 300 plus people in need of nutrition. At that event, bags of groceries are provided to the families in need that are in attendance to take home. There are several other projects of this nature on a smaller scale at the local school system. ASBHC donates to community events such as American Cancer Society projects and sponsors health related educational programs to the community at large.</p>

Form and Line Reference	Explanation
Part VI, Line 6	The communities in which Avera operates all have unique health and community benefit needs and in keeping with the Catholic Healthcare Association guidelines each Hospital strives to meet its community's identified needs. The Avera System's Central Office advocates for all on community benefit related matters of state, regional, and national importance.
