Return Reference	Explanation
Part X, Line 2	LifeScape and most of its affiliated organizations are organized as South Dakota nonprofit corporations and have been recognized by the Internal Revenue Service (IRS) as exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). These Organizations are annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. Together these Organizations have determined that they are not subject to unrelated business income tax and have not filed an exempt organization business income tax return (Form 990T) with the IRS. Rehabilitation Medical Supply is a taxable non-profit organization and is subject to Federal income taxes. The Organization believes that it has appropriate support for any tax positions taken affecting its annual filing requirements, and as such, does not have any uncertain tax positions that are material to the financial statement. The Organization would recognize future accrued interest and penalties related to unrecognized tax benefits and liabilities in income tax expense if such interest and penalties are incurred. Rehabilitation Medical Supply's tax return is no longer subject to federal tax examinations by tax authorities for years before 2012.

Form and Line Reference	Explanation
Part I, Line 3c	See Part V, Line 13 narrative

Form and Line Reference	Explanation
Part I, Line 7	Line 7b) Unreimbursed Medicaid is the cost of Medicaid provided for inpatients, patients at the Rapid City Rehab Center and for Rapid City outreach. The cost is calculated by multiplying the Medicaid charges times the cost-to-charge ratio, as determined through use of the general ledger. The amounts on line 7i are related to the direct costs and revenues as recorded in the general ledger accounting system.

Form and Line Reference	Explanation
Part I, Line 7g	The amounts on line 7g are related to the direct costs and revenues as recorded in the general ledger for operating an Adaptive Aquatics program

Form and Line Reference	Explanation
Part I, Ln 7 Col(f)	Bad debt expense of \$101,000 was subtracted from total operating expense

Form and Line Reference	Explanation
Part III, Line 2	Payments on accounts that are written off are normally made directly to the collection agency. In the rare event that a payment is received directly by CCHS, CCHS notifies the collection agency of its receipt of the payment so the patient's account balance can be adjusted.

Form and Line Reference	Explanation
Part III, Line 3	No part of the amount on line 2 was determined to be charity care eligible

Form and Line Reference	Explanation
Part III, Line 4	The financial statements that describe the bad debt expense are on note 1 page 15 Please note the attached financial statement is for the 15-months ended June 30, 2015 The amount reported as bad debt expense is \$144,013 from the audit report less \$18,513 from the general ledger for the three months ended 6/30/14, less \$24,500 attributable to Rehabilitation Medical Supply, a related organization

Form and Line Reference	Explanation
Part III, Line 8	No part of the shortfall on line 7 is treated as community benefit. The Hospital has Medicare certification because it is required in order to operate. The overall cost-to-charge ratio based on audited financial statements was used to calculate cost.

Form and Line Reference	Explanation
Part III, Line 9b	The hospital is in the process of developing a written billing and collection policy in compliance with IRC 501(r). Based on past experience, Children's Care Hospital and School (CCHS) has not felt a written debt collection policy was a priority for its patients, and has focused resources in other areas that were critical. This is because the only patient responsibility for residential/inpatient would be for patients in the 18 bed hospital unit who only have commercial insurance--no secondary Medicaid. That is rare, but, if it happens, the resident's guarantor would be made aware of the approximate amount based on information CCHS would have received from insurance when pre-authorization was done. Options for payment would include a payment plan. Financial counseling for outpatient services starts with CCHS verifying that patient's insurance is effective and also contacting insurance with diagnosis and procedure codes to check coverage. Next, the parent/guarantor is contacted to inform them of the approximate amount for which they'll be financially responsible, at which time they are asked to sign a private pay agreement before services are provided. If the account is not paid as agreed upon, billing notices are sent. The third nonpayment statement states payment must be made to hold the account from collections, and the fourth statement says payment must be made on or before the due date or the account will be sent to collections.

Form and Line Reference	Explanation
Part VI, Line 2	CCHS relies on its board members and board members of LifeScape Foundation who represent all regions of the state, its medical staff, and school districts whose students it serves to help advise of health care needs of their respective communities CCHS also conducts regular meetings with parents and patients to help assess the health care needs of the communities it serves In addition, CCHS conducted a community health needs assessment during the fiscal year ended 6/30/13 Please refer to Part V lines 1-12 for additional information

Form and Line Reference	Explanation
Part VI, Line 3	Residential and inpatient services are always pre-authorized by a third party payer and any patient responsibility is discussed with the resident's guarantor upon admission. Financial counseling is available for outpatient services. This starts with CCHS verifying that patient's insurance is effective and contacting insurance with diagnosis and procedure codes to check coverage. Next, the parent/guarantor is contacted to inform them of the approximate amount for which they'll be financially responsible. They are asked to sign a private pay agreement before services are provided.

Form and Line Reference	Explanation
Part VI, Line 4	CCHS serves approximately 2,200 children and their families in 62 counties throughout South Dakota every year. Additional children and families are served throughout Northwest Iowa, Southwest Minnesota, Nebraska, Wyoming and Alaska. 68 South Dakota public and tribal school districts also rely on CCHS. Children from 16 public or private agencies and programs are also served. No other hospitals in the area provide similar services.

Form and Line Reference	Explanation
Part VI, Line 5	- All CCHS governing body members reside in different parts of its primary service area in South Dakota All board members are independent of CCHS and serve in a volunteer capacity - CCHS extends medical staff privileges to all qualified physicians in its communities - CCHS uses surplus funds to enhance services to patients, fund building improvements or expansions, and improve care by providing additional training to staff - CCHS is the only provider in South Dakota offering 24-hour, integrated medical, behavioral, and special education services for children ages birth to 21 CCHS serves families and schools who are unable to support children with severe behaviors who may harm themselves or others Medical programming is provided to fill the gap between services provided in the home and school district and services provided at acute care hospitals - CCHS has several Clinical Affiliation agreements with surrounding area schools to provide training experience for physical, occupational and speech therapists, nurses and psychology students - CCHS participates in the Medicare program, several state Medicaid programs, and the Birth to 3 program - 408 volunteers assisted with all aspects of CCHS operations Volunteers assist CCHS staff with administrative tasks in reception, finance, medical records and fundraising, and provide support to professionals in residential areas
