Return Reference	Explanation
Monitoring procedures (Part I, line 2)	The Organization provided legal assistance based on individual need. If a person was using the Organizations services, such as for a protection order, then they were eligible for up to \$500 of assistance. This assistance was for this fiscal year only. The housing assistance is through a grant through South Dakota Housing Authority. The Organization follows the guidelines set forth within that grant. We meet with victims of abuse who are staying in our shelter to determine if they will meet the programs criteria and then set them up with a case manager who will monitor their progress. The executive administrator completes the paperwork and then the Executive Director reviews all of the financial assistance requests before going to South Dakota Housing Authority for reimbursement.
