Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.					

Student scholarship applications are submitted by parents for tuition assistance at private schools in the state of Arizona. The parent supplies their income level and number of

dependents on the application. The student enrollment is then verified with the administration of the school by our organization. An application is only valid for one school year, and the

parent must re-apply each school year. The Yuma's Education Scholarship Fund board of directors reviews the application and awards scholarships based on financial need. Upon

board approval, the scholarships are issued to the qualified private schools in Arizona. The school is informed by letter that they may not receive an amount per student (from all tuition

organizations) in excess of the total tuition due for each school year. In the event an excess tuition amount is received by the school, then they are instructed to return the excess funds

to the school tuition organization. The application is available on our website.
