part x line 2	financial note regarding fin 48 (asc 740) The School evaluates uncertainty in income tax positions based on a more-likely-than-not recognition standard. If that threshold is met, the tax position is then measured at the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of June 30, 2015 and 2014, the School has evaluated its material tax positions and determined that no accruals for uncertain tax positions are required on the School's financial statements. If applicable, the School records interest and penalties as a component of income tax expense. Tax years from 2012 through the current year remain open for examination by tax authorities.
