Part IV. Section D. Question 3. & Section E. Question 1(c)

The organization's purposes are to (a) receive and administer contributions of money, securities, or anything of value for scientific, educational, & charitable purposes directly related to Morgantown High School; and (b) foster and enhance educational opportunities of the students of MHS through grants and contributions to the school, any separate and distinct educational department or division thereof, or any student/faculty of MHS. The purposes for which the organization is organized are confined to those that are strictly scientific, educational, and charitable in regard to MHS. The organization is committed to fostering and enhancing the academic opportunities for MHS. The organization's mission is to effectively prepare Morgantown High School students to be successful in the rapidly changing world of the 21st century. Morgantown High School is a public school located in Morgantown, Monongalia County, West Virginia.

The board of directors of the organization is comprised of 14 individuals, 6 of which are selected by the supported organization (MHS). The principal of MHS appoints one of the organization's board members, one board member is the Senior Class President, one board member is the Student Council President, and 3 board members are faculty selected by Faculty Senate. The remaining board members of the organization are comprised of a parent representative, alumni, and friends. The organization's board of directors elected the Principal's designated board member as the organization's Treasurer. The board of directors may vote to direct investment policies, timing of grants, manner of making grants, and other use of income or assets. The board sets budgets, evaluates grant requests, and assists with fundraising, alumni, and other charitable activities related to MHS. Additionally, the organization requires grant applications (see Schedule I) be signed/approved by MHS's Principal and applicable school department chairperson, as well as be approved by a majority of the organization's board of directors. Grant recipients are required to submit a Grant Follow-Up Report (see attachment to Schedule I) detailing the utilization and outcome that resulted from the matter supported by the grant. The principal of MHS regularly attends the organization's board meetings and provides a report as to pertinent school-related matters. Thus, the supported organization has an adequate relationship with the supporting organization and, because of this relationship satisfies the significant voice test. Also, the supporting organization engages in activities for or on behalf of the governmental supported organization (MHS) that perform the functions of, or carry out the purposes of, that governmental organization and that, but for the involvement of the supporting organization, would normally be engaged in by the governmental supported organization itself.
