Liability for Uncertain Tax Position (ASC 740)	Schedule D, Part X, Line 2 The School is recognized as an organization exempt from federal income tax under Section 501(a) of the Internal Revenue Code (the Code) as an organization described in Section 501(c)(3), whereby only unrelated business income, as defined by Section 512(a) of the Code, is subject to federal income tax. During 2015 and 2014, there was no provision for income taxes. The School provides for income taxes based on Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740, Income Taxes which establishes the criterion that an individual tax position has to meet for some or all of the benefits of that position to be recognized in the School's financial statements. The School is required to determine that the relevant tax authority would more likely than not sustain the tax position following an audit. The School has applied this criterion to all tax positions for which the statute of limitation remains open. Tax years open to examination by tax authorities under the statute of limitations include fiscal 2012-2015. The School has determined that its tax positions satisfy the more likely than not criterion and that no provision for income taxes is required at June 30, 2015 and 2014. The School's policy is to record interest and penalties, if any, related to income tax matters in income tax expense. For years ended June 30, 2015 and 2014, no such interest and penalties were recorded.
