**Part IV** **Supplemental Information.** Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

**Part I, Line 2 - Procedures for Monitoring Use of Grants Funds in U.S.**

The organization maintains records substantiating the amount of the assistance in hard copy and in electronic format. Expenditures are tracked per individual per accounting period. Eligibility is determined by a questionnaire provided by the state Family Support Program. An individual must have a severe disability as indicated by functional limitations in three or more areas of major life activity as defined in the questionnaire. Selection of recipients is based on the chronological order that the recipients applied to the program. The final funding decision is made by a local governing council composed of volunteers. Final decision is given to the council through the local and state guidelines governing the program.
